

One Man's Meat *by E. B. White*

Here is E. B. White's personal, informal running commentary on what might be called his global excursions and reflections. He writes of his salt water farm in Maine, of his old love New York City, and of the troubled sky which hangs above us all. It is the record of a restless and humorous mind, treating of many subjects—the nature of dogs, the anatomy of warfare, the radio pulpit, hay fever and lambing and freedom—and lending them humor and wisdom and eloquence.
