On the Divide David H. Porter, 2008-12-01 *On the Divide* analyzes the iconic image that Cather helped develop for herself in contrast to the anonymous face she adopted for promotional activities and the very different private self she shared only with friends and family Delving into Cather's correspondence and the little known promotional material she produced anonymously David Porter provides new insight into the extent and direction of her control He also considers the contrasting influences of Mary Baker Eddy whose biography Cather ghostwrote and Sarah Orne Jewett on the author's emerging artistic persona The study goes on to explore the many ways in which these OC divides in Cather's life found expression in her writing Extending from Cather's early stories to her final novel Porter's book documents the degree to which Cather's understanding of her own different and often conflicting sides and of her penchant for playing diverse roles enabled her as a novelist to create characters so torn so complex and so profoundly human
