Securing Development Bernard Harborne, William Dorotinsky, Paul M. Bisca, 2017-03-01 Securing Development Public Finance and the Security Sector highlights the role of public finance in the delivery of security and criminal justice services This book offers a framework for analyzing public financial management financial transparency and oversight as well as expenditure policy issues that determine how to most appropriately manage security and justice services

The interplay among security justice and public finance is still a relatively unexplored area of development. Such a perspective can help security actors provide more professional, effective and efficient security and justice services for citizens while also strengthening systems for accountability. The book is the result of a project undertaken jointly by staff from the World Bank and the United Nations integrating the disciplines where each institution holds a comparative advantage and a core mandate. The primary audience includes government officials bearing both security and financial responsibilities, staff of international organizations working on public expenditure management and security sector issues, academics and development practitioners working in an advisory capacity.
