

# COLLEGE ADMISSION

## **Writing Your Admission Essay: Seven Great Tips** *from Cambridge Essay Service*

### **1. YOUR ESSAY IS NOT GRADED BY OLYMPIC JUDGES:**

College application essays are not graded like Olympics diving or gymnastics matches where you start with a 10 and lose points for every error.

The essays are not read by tyrants with red pencils, they are read by harassed admissions officers who are looking for an impression. That impression is mostly emotional. The reader of your essay is reaching an emotional conclusion about YOU, not an intellectual conclusion about your topic.

And the very best emotional conclusion that reader can reach is: "I really like this kid."

### **2. MAKE SURE YOU HAVE ONE GREAT IDEA:**

This follows from the first point. The reader of your essay is looking through the writing—and reading very fast by the way—to get to the gist of what you have done with the question. If you have repeated any one of the thousand most frequent ideas [wrestling taught me to concentrate; grandma's death taught me to stop and smell the roses; I like to help others in my community, and thus I help myself], you have not aided your cause on iota, no matter how well written, typed, and proofread your essay is. In fact, adding polish to a routine idea often makes it worse and less personal.

### **3. YOUR GOOD IDEA SHOULD BE A PERSONAL, SMALL IDEA:**

Avoid "BIG TOPICS"—not only the obvious big topics like peace in the Middle East, ecology, civil rights and general human nature—but also the thousand smaller versions of those BIG IDEAS which slip into an essay as a pasted on "moral". Keep your idea personal, contained and original. If you paste on a "moral"—try to make it unexpected, but somehow "right" for you.

**LESS SUCCESSFUL IDEA:** I was at camp when Uncle Harry died, and finding out about his life from my parents convinced me what a warm and generous man he was.

**BETTER VERSION:** The first time I confronted my parents in an adult way was when Uncle Harry died. I was at camp, and they didn't tell me about it for two weeks, thinking I would rather stay at camp than go to his funeral.

**COMMENT:** The better version is about YOU, not Uncle Harry (who isn't applying for admission) and you now have a concrete, limited, and personal story. In telling that story, the details can show the committee who you are: mature, aware and eager to grow. The "real" story of the essay is not about death, Uncle Harry, or even you arguing with your parents. It's about your success in growing up.
