No Time Like The Present:

No Time Like the Present Kristen Sheley, 2002-10-14 Sam Foster is a fairly typical modern American teenager who just invented a time machine Sam didn t mean to bring back anything from his first trip to the past but he returned home to 2005 with more than he bargained for in the form Meg Clayton a spirited pioneer girl from Oregon Sam would be only too happy to obey Meg s demand the she be taken home at once but he encounters technical difficulties and a stranger who may threaten No Time Like the Present Nadine Gordimer, 2012-03-27 A sharply observed new novel about more than just Meg s life post apartheid South Africa from the Nobel Prize winner Nadine Gordimer is one of our most telling contemporary writers With each new work she attacks with a clear eyed fierceness a lack of sentimentality and a deep understanding of the darkest depths of the human soul her eternal themes the inextricable link between personal and communal history the inescapable moral ambiguities of daily life the political and racial tensions that persist in her homeland South Africa And in each new work is fresh evidence of her literary genius in the sharpness of her psychological insights the stark beauty of her language the complexity of her characters and the difficult choices with which they are faced In No Time Like the Present Gordiner trains her keen eye on Steve and Jabulile an interracial couple living in a newly tentatively free South Africa They have a daughter Sindiswa they move to the suburbs Steve becomes a lecturer at a university Jabulile trains to become a lawyer there is another child a boy this time There is nothing so extraordinary about their lives and yet in telling their story and the stories of their friends and families Gordimer manages to capture the tortured fragmented essence of a nation struggling to define itself post apartheid The subject is contemporary but Gordiner's treatment is as ever timeless In No Time Like the Present she shows herself once again a master novelist at the height of her prodigious powers No Time Like the Present Jack Kornfield, 2017-05-16 Jack shows how we get stuck and how we can free ourselves wherever we are and whatever our circumstances Renowned for his mindfulness practices and meditations Jack provides these keys for opening gateways to immediate shifts in perspective and clarity of vision allowing us to see how to change course take action or when we shouldn t act just relax and trust **No Time Like the Present** Karen Roggenkamp,1990 **No Time Like The Present DV** Wood, 2022-02-22 One year ago Valeria's life changed forever She had been introduced to a hidden world of Magic and Myth She had finally found her true love and a job that filled her with a sense of purpose The time loop had been broken and all she wanted was to live her new wonderful life in peace with Jayden and her friends But now someone was out to kill her again Join Jayden Valeria and Jaxion as they are once again called upon to solve the next part of their shared destiny and protect the timeline 18 for Mature Language Content No Time like the Present Kessily Lewel, 2018-09-19 They ve fought off her past demons Now his are making an appearance and if they want a life together they re going to have to fight for it Hidden vendettas come to light in the thrilling conclusion to the A Timeless Love saga and one hasty decision will change their lives forever Publisher's Note This story is hot with steamy scenes as well as elements of power exchange No Time

<u>Like The Present</u> Debbie McGowan, 2012-11-16 Sometimes a murder mystery is the least of life s challenges This sequel to Hiding Behind The Couch finds Josh and The Circle fighting to prove the innocence of one James Brown a well liked and respected MD of a pizza restaurant chain But his past is far from helpful in freeing him of suspicion and Eleanor is all set to call it a day It s the perfect time to make new friends make amends and solve a murder case a beautiful tapestry which is a story encompassing so many lives and their interconnections I wanted more just so I could find out what the future held for my newfound friends All I can hope is for the possibility that Debbie McGowan might like to make this into a trilogy or even a series that I can keep indulging in for either the rest of my own or the characters lives NOTE contains Hiding Behind The Couch plot spoilers it is therefore recommended that these novels are read in order No Time Like The Present is season two in the Hiding Behind The Couch series The story follows chronologically from Hiding Behind The Couch Season One and continues in The Harder They Fall Season Three No Time Like the Present J.J. Vega, 2022-07-11 It's been quiet in Bule for a bit Jack and Corva have settled into a routine of working the bar in the evenings and then training until early in the morning There's still tension between them and trust is tough to come by Thanks to Zeke Corva starts to a glimpse of who she really is but it may be too late No Time Like The Present: 7 Ways to Enhance Your Life Now Prynce Michael, 2019-12-20 Imagine what life with no debt would look like What would happen if you were to lose your job with no savings If this has ever crossed your mind then this is the book for you No Time Like The Present took place in 2014 when Prynce Michael was not living life in abundance After being injured on his job for eight months he found himself homeless broke and broken He had hit rock bottom Learn how he went from broke to successful business owner and the profound seven secrets that propelled his life forward No Time Like The Present was written with you in mind Everyone deserves a life full of abundance No one should work forty hours a week and not have anything to show for it Your life can change in the blink of an eye You have nothing to lose The choice is always yours to make There Is No Time Like The Present To Create Your Future Chineme Noke, 2012-03-01 Chineme Noke helps people to overcome the very real problems they face which can overwhelm and rob them of their well being and future happiness She does this by dealing effectively with what she refers to as the mountains and molehills that we all encounter in our daily lives She formulated these seven action steps in order that anybody can take charge of their present to create for themselves a better future They are action steps that will change your attitude and ultimately your life As a woman working in a male dominated corporate world for over 20 years Chineme realised early on that it was essential for her to be able to deal effectively with the ongoing challenges and opportunities with which her rapid career progression inevitably presented Her daughter has learning difficulties and Chineme s past experiences served her well in dealing with the challenges and opportunities that her daughter faced within the educational system **No Time! like the Present?** Marie-Louise Weeks, 2014-08-27 Three astronauts are about to make history in this stage dramatisation when their space mission goes wrong The author has magnified the diversity of the characters in order
