No Lipstick In Lebanon:

No Lipstick in Lebanon Paul Timblich, Fasika Sorssa, 2015-08-27 Meron Lemma couldn't know there was a fate worse than wasting away as a poor teenager in the Ethiopian slum where she was born. Desperate to create her own destiny and drawn by the irresistible possibility of earning real dollars as a maid in Beirut, Meron leaves her devout mother and family behind to join the many other Habesha migrants searching for a better life in the Middle East. Only once there does she realise the ugly truth: instead of opportunity, she has found captivity. Instead of freedom, subordination. Trapped and mistreated by the harsh Madame, Meron lives in constant fear, fear of the daily onslaught of Madame's vicious spite, of her cruel and callous daughters, of the sexual advances of her predatory son, and most of all, fear of losing her sense of self, her Habesha spirit, even her life. Rich in cultural detail and exposing the ongoing under-reported horrors facing domestic workers in Lebanon today, *No Lipstick in Lebanon* is a harrowing account of the unrelenting hell of modern slavery. Told through the escalating plight of our heroine, this is not just a fictionalised report of one maid's ordeal but rather the uncovering of a larger issue plaguing a generation of women.

Modern Slavery Guido Cuyvers, 2023-11-26 Slavery is a phenomenon that appears to interfere with neither the daily lives of most people nor with their contemporary worlds. For many, the term slavery is reminiscent of black slaves on their journey to America or perhaps of slaves in ancient Rome or Greece. And yet, despite the fact that slavery had formally been abolished at the end of the nineteenth century in most countries, it still remains an inherent part of modern life. In 2023, it still consists of a large group of people. For more than 50 million individuals worldwide, freedom does not exist. People are still being exploited and traded as commodities. In the first place, this issue concerns people who end up working as slave labour in all economic branches, including clothing, fishing, agriculture, construction, transport, and catering industries. This form of slavery has many connections to Western companies and often it actually occurs in Western countries. In addition, in all European countries, the sex industry makes abundant use of so-called sex slaves. This book will give you a glimpse of what slavery looks like today.

No Lipstick in Lebanon P. J. Timblich, 2014-01-26 Her devout mother was firmly against it. But as a teenager drifting through the drudgery of Addis Ababa's slums, the possibility of earning dollars as a maid in Beirut was irresistible. Why shouldn't a poor Ethiopian girl choose her own destiny? Except Meron Lemma had no idea what she was doing. The ugly truth hit Meron as she peered down thirteen storeys to the street below from her tempestuous Beirut penthouse. Trapped and mistreated by the harsh Madame and callous offspring, Meron wondered if she'd return to her mother in a coffin. Was jumping the only escape? Rich with bi-cultural detail, *No Lipstick in Lebanon* is typical for Ethiopia's domestic servants in Beirut today succumbing to uninvestigated horrors within respectable family homes. Here, through the escalating suspense endured by our heroine, the unrelenting Hell of Lebanese servitude is laid bare. An amazing story.

this time he's not coming to clean up. He's coming to collect. **Strike the Dragon** Charles Dyer, Mark Tobey, 2008-09-01 A cell phone awakens a young mother in a Palestinian refugee camp. The simple message "It is time" jolts her awake. Dressing in clothes that once belonged to her dead husband, she asks her mother to watch her young son. Upon arriving at the mosque, she meets the man who had called. He takes her to two other men who will transport her and the bomb she will wear to the proper destination: the West Bank city of Ariel. A story of international terrorism and intrigue unfolds across the globe. Special agents and covert operatives track clues to pinpoint the probability of an attack that will dwarf previous attempts to strike where it hurts the most. **What the War Left Behind** Malek Abisaab, Michelle Hartman, 2024-05-15 Conspicuously missing from narratives of the Lebanese Civil War are the stories of women who took part in daily social activism and political organizing during the tumultuous conflict. *What the War Left Behind* documents their stories with eight women directly sharing their experiences of action and survival through the hardship of war. *What the War Left Behind* brings together oral histories of women from a range of political affiliations, socioeconomic classes, and religious identities. These histories present an alternative image of women during war, highlighting the actions of those who sought to make life better for themselves and their neighbors during conflict. By centering women's voices in the war, Abisaab and Hartman present a new perspective on an oft-discussed historical era, demonstrating the power of resistance during difficult times. These translated texts showcase the active roles women take during wartime and how women's political efforts are an essential part of Lebanese history. Wings Of Exile: Portrait of a Lebanese Family Tanya Julien, 2017-08-03 Beirut 1979. A little girl, Carla, listens in fear to the sound of her city's martyr under bombs and shelling. War rages on, but people still spend week ends at the beach, family reunions still take place, and everyone is trying to live life to the fullest as if each moment was the last. The fighting intensifies, and it is time to set off for Cyprus, leaving the land of her roots behind. Next, move to Belgium, where she discovers Northern Europe and is now clearly in exile. From 1979 to 1996, this is the story of a Lebanese woman's nomadic destiny, like so many suffering from a never-ending war yet keeping the wildest hopes, the strength of a family fragmented around the world, its traditions, and above all, fantastic resilience and an appetite for life. *Products List Circular [opportunities for Small Businesses]* United States.
