No Shape Bends The River So Long:

No Shape Bends the River So Long Monica Berlin, Beth Marzoni, 2015-01-06 WINNER OF THE NEW MEASURE POETRY PRIZE Selected by CAROLYN FORCH Free Verse Editions edited by Jon Thompson What to make of this grand experiment over months and miles of river by two poets not one Monica Berlin and Beth Marzoni plus whatever third spirit they've invented together Like music from the 8th century written by Anonymous that haunting ubiquitous voice these poems feel unsettlingly interchangeable keep coming like the country's longest river dream documented here in a rich rush dense with repetition and sorrow by poets who think like a glacier or a stone sand years like consistent rain The Mississippi never had better companions or more devoted ones save Mark Twain perhaps or more to the point his troubled star crossed Huck The sense of human and nonhuman history even prehistory stuns keeps bothering this shared solitary work Wake to any weather know that long ago there also was I'll take that as rare solace MARIANNE BORUCH **Report of the Chief of Engineers U.S. Army** United States. Army. Corps of Engineers, 1878 **Annual Report of the Chief of Engineers to the Secretary of War for the Year ...** United States. Army. Corps of Engineers, 1878 *House documents*, 1883 **No Shape Bends the River So Long** Monica Berlin, Beth Marzoni, 2015 Report of the Chief of Engineers United States. Army. Corps of Engineers, 1899 *A Laboratory Study of the Meandering of Alluvial Rivers* United States. Mississippi River Commission, 1945 **The Visible Woman** Allison Funk, 2021-01-01 In *The Visible Woman* Allison Funk writes of how women often disappear into the roles expected of them becoming invisible to themselves To fill in the thin chalk outline of herself that she's drawn and erased for as long as she can remember Funk returns to the anatomical model of *The Visible Woman* she left unassembled as a child With poems rather than the kit's plastic organs and bones she strives to create a likeness to embody herself In her efforts at self representation the poet is guided by the visual artist Louise Bourgeois her real life model of a woman who proved that art gives us a way of recognizing ourselves The Republic of Song Kelvin Corcoran, 2020-04-15 *The Republic of Song* is a journey to discover the place of that name moving through abhorrence to vision The political chicanery of barely believable figures is excoriated and set against a world where Orpheus holds sway friendship outstares death Nina Simone is happy and Jack Spicer sends us a message about daddy Zeus president In *The Republic of Song* everything is changed and the lyric states its claim in the face of exile *The Republic of Song* is also that place where having a drink with a friend in a bar in Brussels can unlock part of the story and prompt the freedom of seeing things for what they are In the conclusive poem *The Museum of the Sea* the supposedly distant past is alive in the present and deep time is now Odysseus is at sea with the victims of the migrant crisis everything is new and nothing is new *Sunshine Wound* L. S. Klatt, 2014-11-01 Free Verse Editions Edited by Jon Thompson While the poems in this alert collection rarely depend on specific geography there is a strong sense of somewhere here These poems catch the mind in the process of thinking and plot the subtle constellations that arise from the intersection between the actual and the imaginary

Shades and tones and moods are evoked as we might find in the paintings many of these poems reference And yet there are quiet echoes of our real world of human endeavor to provide a sense that something is out of whack as well as the sense there is something vital to hope for This is a deeply satisfying book Maurice Manning Not into the Blossoms and Not into the Air Elizabeth Jacobson,2019-01-01 Over the past few years Elizabeth Jacobson has become one of my favorite American poets Her work is original deep serious and sensuous in ways that surprise me repeatedly In the way of true inquiry Jacobson's poems unearth genuinely new feelings and knowledge in a clean mature and fully achieved style These poems carry heavy water fetched from deep nature in human hands I love this book TONY HOAGLAND This wild remarkable book begins in painstaking definition via what isn't too strange and dazzling discoveries of the natural world to instinct and melancholia and surprise This poet wanders through a range of poetic architecture an eight sectioned poem which begins with a woman removing her body parts epistolary poems prose poems small strange lyrics of love and bewilderment Genuine curiosity fuels this book and can we bear it a true savoring of the world Elizabeth Jacobson starts in clarity and ends in mystery two points of imaginative departure Beware and rejoice this is how a very original brain thinks itself into poems MARIANNE BORUCH Snakes birds insects and all manner of strange encounters Elizabeth Jacobson is a true observer immersed in the natural world These poems arise out of a deep questioning they are puzzles tangled road maps we can't help but follow It takes some wisdom to abide as Jacobson's work does so effortlessly in paradox I am moved to wonder to breathe and slow down experiencing how as she says the whole world is in me Through her love of the particular a great expanse opens within us These are the poems we need and long for right now ANNE MARIE MACARI Not into the Blossoms and Not into the Air is a collection of poems wealthy with the speaker's intimacy with nature and with the philosophical and spiritual insights that emerge from a deep practice of close observation In a manner that is wonderfully relaxed and conversational Jacobson's poems enter into the most venerable and perennial of our human questions *Reports of Committees* United States. Congress. House,1883 Elsewhere, That Small Monica Berlin,2020-01-25 Sit and stay a while in the strangely familiar rooms and landscapes that Monica Berlin's Elsewhere That Small constructs for us Let Berlin stop the clock just for a few seconds so we can take stock of the ordinary seen here we dwell in the contrary senses of belonging and longing to be elsewhere Berlin's beautifully structured and incisive poems ask us to face and to marvel at the brute force of the world's ongoingness More so Elsewhere That Small offers a lesson on how to region here that is how to accept how to endure EMILY ROSKO The contingency in Elsewhere That Small is embodied by the sonnet form its propensity to turn from abstract to concrete map to memory heavy shaded by green It's in the rhythm of Monica Berlin's language in iambs that sometimes strike in a clear pattern sturdy as a chair back before shifting like some trick of maybe And yet what is contingent in the form is inescapable in the fact of our being human In these poems we occupy spaces patches of ground and perspectives that we may be so bold as to call our own What a gift to be reminded of the view from where we're standing and how fleeting it is

when the time comes to turn BETH MCDERMOTT This sequence of poems makes me consider the solitary expanse of the sonnet how the span of fourteen lines opens up a zone through which a thought can travel nimbly its avenues Intimate contemplative seeking out the smallest folds of language Berlin s verse leads us through estrangements and dismantlings whose phrases disclose their beautiful hardness their sharp edges sharper heave of near careless care This book makes palpable a certain kind of nearness an almost an about to rise like orchestral instruments tuning up Reader bring your listening CAROLINA EBEID **They Who Saw the Deep** Geraldine Monk,2016-04-01 At the heart of this collection of poems is the nature of water water as giver and taker of life luxuriant and lethal in equal measures It is set against the backdrop of the shipping forecast and weaves the myths and legends of the ancient Mesopotamians through a litany of migrations down the ages to the present day **The Complete Civil War Road Trip Guide: 10 Weekend Tours and More than 400 Sites, from Antietam to Zagonyi's Charge** Michael Weeks,2009-06-01 The Complete Civil War Road Trip Guide is the definitive guidebook for Civil War tourists from the novice historian to the die hard Civil War buff The book outlines ten suggested itineraries for short road trips that cover every major battle of the war that will enable a traveler to experience this definitive period of American history For those who can t resist trying to see it all the book contains complete information on and reviews of almost 450 historical sites across the United States related to the Civil War including all 384 of the principal battlefields listed by the Civil War Sites Advisory Commission as well as lodging and other travel information The Complete Civil War Road Trip Guide will enable the historical traveler of any level to experience the Civil War like no other book has done *Improvement of the Mississippi River* United States. Congress. House. Select Committee on Improvement of the Mississippi River,1883 Annual Report (or Report) of the Secretary of War United States. War Department,1893 Report United States. Army. Office of the Chief of Engineers,1878 **Escape to River's Bend** E.S. Burton,2016-09-06 On a sunny July afternoon in the small fishing hamlet of Bayou La Batre Alabama the trawler Bountiful Princess quietly leaves its mooring for a night of shrimping in the waters of the Gulf of Mexico In the wee hours of morning it silently slips back minus its captain Meanwhile some miles away a birthday celebration is in progress Dina Sechrist daughter of the socially prominent Sechrist family has turned twenty one The two episodes although miles apart both physically and socially are strangely connected Its left up to Mobiles Chief Inspector Harold Anjou to find out what has happened to the missing captain As he puts the pieces together the glittering image of the Sechrist family slowly falls away to reveal a hotbed of manipulation and deceit While he delves through the labyrinth of lies and cleverly told facts Mrs Sechrist fights to protect her family from something worse the truth **Landscape Pattern Language** Yuncai Wang,2022-10-25 This book presents a landscape pattern language framework for describing landscape spaces and offers a new approach to landscape expression and spatial reasoning In addition to describing a conceptual model of landscape pattern language and its inner logical connections the book discusses the functionality of landscape pattern language from both local and universal perspectives

effectively demonstrating that it can be used to highlight the individuality and characteristics of landscape space shaping
Given its scope the book offers a valuable resource for all graduate students lecturers researchers and practitioners in the
areas of landscape architecture landscape planning and regional planning especially ecological planning and design
