The Möbius Book Catherine Lacey, 2025-06-19 The sudden devastating breakup of a relationship in the winter of 2021 left Catherine Lacey depressed and adrift She began cataloguing the wreckage of her life and the beauty of her friendships a process that led to the writing of fiction that was both entirely imagined and strangely utterly true She soon realised that she was writing about her relationship with faith Betrayed by the mercurial partner she had trusted and suddenly catapulted into the unknown Lacey s appetite vanished completely a visceral reminder of the teenage emaciation that followed the ending of her belief in God Bending form both she and her fictional characters recall gnostic experiences with animals close encounters with male anger grief driven lust and the redemptive power of platonic love and narrative itself A hybrid work that is both non fiction and fiction with no beginning and no ending The Mbius Book troubles the line between memory and imagination with an open hearted defence of faith s inherent danger
