Parliamentary Debates (Hansard). Great Britain. Parliament. House of Commons, 2014 **Academic Language** Gisela Ernst-Slavit, Margo Gottlieb, 2025-06-20 Rethink how academic language can transform content area teaching For years the teaching of content-based academic language to multilingual learners has focused on formulas vocabulary lists and sentence patterns often sidelining students' linguistic and cultural strengths Gisela Ernst-Slavit and Margo Gottlieb address these challenges by embracing academic language an active collaborative student-driven process Academic Language offers strategies to integrate language and content learning while fostering student engagement voice and agency Dedicated chapters on academic language for Language Arts Mathematics Social Studies and Science highlight the dimensions of disciplinary language for each subject and provide strategies for moving learning forward with multilingual learners Additional features include Stop and Think prompts to help educators connect new ideas with their instructional settings Prompts at the end of each chapter to encourage deeper thinking and application of the material Multilingual examples to mirror the varied classroom settings in the U.S. and beyond The ultimate resource for educators committed to empowering multilingual learners and fostering meaningful culturally sustaining education Academic Language ensures multilingual learners comprehend academic content and thrive as confident autonomous drivers of their own learning Editor & Publisher, 1925 **Bridging the Gender Gap** Lynn Roseberry, Johan Roos, 2014-07-24 Despite decades of efforts to

promote gender equality most leadership positions in business politics education and even NGOs are occupied by men and most people still work in occupations dominated by one sex This book argues that gender imbalances in leadership and occupations are not simply a moral issue or an economic issue but a governance issue Gender imbalances persist in large part because the very people with the authority and influence to do something about them know very little about gender and how it works in their organizations and in society at large Gender imbalanced governance is an expression of entrenched ideas about masculinity and femininity that lead to poor decision making Improving the quality of governance requires action to counteract the main justifications for the status quo Based on interviews and conversations with leaders and managers in Europe and the United States the book presents seven of the most common explanations for persistent gender imbalances and shows how they are based on common stereotypes and myths about men s and women s abilities and preferences This book provides a guided tour of current research about gender from a multi disciplinary perspective It challenges commonly held assumptions and offers alternative explanations and corresponding principles to guide individual decisions action and behaviour toward achieving gender balance **The Commercial and Financial Chronicle** ,1911 **The Mass**

Observers James Hinton,2013-03-14 The first full scale history of Mass Observation the independent social research organisation which set out to document the attitudes opinions and every day lives of British people between 1937 and 1949 Corrects and revises much of our existing knowledge of M O and opens up new and important perspectives on the organisation itself The Training of African Teachers in Natal from 1846-1964 Nicolas Schicketanz,2024-06-07 The history of African teacher training in Natal is one of the most neglected and under researched aspects of educational history This book attempts to set out the administrative history of this field as a first step in stimulating the further research that is so urgently needed Print edition not for sale in Sub Saharan Africa **Daily Graphic** Ransford Tetteh,2011-02-01
