Film and Identity in Kazakhstan Rico Isaacs, 2018-02-07 Cinema and nationalism are two fundamentally modern phenomena but how have films shaped our understanding of the creation the imagining of Central Asian nations Here Rico Isaacs uses cinema as an analytical lens to explore how the Kazakh national identity has been constructed and contested Drawing on an analysis of Kazakh films from the last century and featuring new interviews with directors and critics involved in the Central Asian film industry his book traces the construction of nationalism within Kazakh cinema from the country's inception as a Soviet Republic to a modern independent nation Isaacs identifies four narratives since the collapse of the Soviet Union a warrior like ethnic narrative rooted in the 18th Century struggles against the Mongolian Oirat tribes a civic inspired narrative cemented in the Stalinist deportations of the 1930s and 40s a religious narrative founded within the mystic and philosophical religion of Tengrism and the cult of the Sky God and a socio economic narrative which roots Kazakh nationhood and identity in contemporary social divisions the lived day to day experiences of ordinary citizens and the struggles they face with authority These last two tropes demonstrate how cinema has emerged as a site of dissent against the country's authoritarian regime under President Nazarbayev *Film and Identity in Kazakhstan* advances our understanding of Kazakhstan and nationalism by demonstrating the multiple and inessential character of each and illustrates the important role of cinema in contesting political power in the post Soviet space

Civil False Claims and Qui Tam Actions Boese, *The "Dematerialized" Insurance* Pierpaolo Marano, Ioannis Rokas, Peter Kochenburger, 2016-08-03 This book adopts an international perspective to examine how the online sale of insurance challenges the insurance regulation and the insurance contract with a focus on insurance sales consumer protection cyber risks and privacy as well as dispute resolution Today insurers policyholders intermediaries and regulators interact in an increasingly online world with profound implications for what has up to now been a traditionally operating industry While the growing threats to consumer and business data from cyber attacks constitute major sources of risk for insurers at the same time cyber insurance has become the fastest growing commercial insurance product in many

jurisdictions Scholars and practitioners from Europe the United States and Asia review these topics from the viewpoints of insurers policyholders and insurance intermediaries In some cases existing insurance regulations appear readily adaptable to the online world such as prohibitions on deceptive marketing of insurance products and unfair commercial practices which can be applied to advertising through social media such as Facebook and Twitter as well as to traditional written material In other areas current regulatory and business practices are proving to be inadequate to the task and new ones are emerging For example the insurance industry and insurance supervisors are exploring how to review utilize profit from and regulate the explosive growth of data mining and predictive analytics big data which threaten long standing privacy protection and insurance risk classification laws This book s ambitious international scope matches its topics The online insurance market is cross territorial and cross jurisdictional with insurers often operating internationally and as part of larger financial services holding companies The authors exploration of these issues from the vantage points of some of the world s largest insurance markets the U S Europe and Japan provides a comparative framework which is necessary for the understanding of online insurance

The Top Books of the Year Premiera 2014 Fee Schedule The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Premiera 2014 Fee Schedule : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Premiera 2014 Fee Schedule : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
