He unpacks each chapter of Ulysses with episode guides which offer pointed and readable explanations of what occurs in the text. He also deals adroitly with many of the puzzles Joyce hoped would keep the professors busy for centuries. Full of practical resources including maps, explanations of the old British system of money, photos of places and things mentioned in the text, annotated bibliographies, and a detailed chronology of Bloomsday, June 16, 1904, the single day on which Ulysses is set, this is an invaluable first resource about a work of art that celebrates the strength of spirit required to endure the trials of everyday existence.
