Who does Lily go to for help when a fan's admiration turns to a dangerous obsession? Her four older brothers are the obvious choice, especially when they own and run Knight Security. But Lily has fought long and hard for her independence from her family and for her career as an actress. She certainly doesn't want one of her brothers or possibly all four of them wading in with their usual arrogance and taking over her life again. But as the fan's obsession becomes darker, the gifts more bizarre, Lily knows she has no choice. The last thing Jonas Grayfeather wants is to accept a job protecting the spoilt sister of the Knight brothers. But Gabriel, the eldest brother and the man who once saved Jonas's life, is calling in that favor and so leaving Jonas with no choice but to at least check into whether or not Lily Knight really is being stalked. A single meeting with Lily and Jonas knows she's going to be even more of a pain in his ass than any of her four overbearing brothers has ever been. She's outspoken, annoying, and so stubborn. Jonas's first instinct is to put her over his knee and give her the spanking she obviously should have received as a child. She's also wild and beautiful, sexy as hell, and arouses him with just a glance of those sexy green eyes. Whether they like it or not, the attraction is mutual and the desire quickly blazes out of control between the two of them. But Lily's reckless disregard for Jonas's efforts to protect her may result in one or both of them ending up dead. If they don't kill each other with passion first.

Under the Blood Moon: A Tale of Vengeance and Fate. Amina was no ordinary werewolf: fierce yet gentle, bold yet compassionate, and with a spirit as untamed as the moonlit forest.
