Suits You, Sir Lexy Timms, Every great design begins with an even better story When I designed my first suit I never imagined it would lead to the kind of success I ve found The popularity of my company is soaring the orders rolling in and there s no sign of slowing down It s amazing But when my assistant decides to leave I need to replace her fast As soon Noelle walks through the door I know she is exactly what I want in more ways than one Her organization brilliant eye and refreshingly blunt style has me falling hard and I go so far as to change company bylaws to ensure I can pursue her But with success comes unwanted attention I ve tried to keep my company and personal life out of the media but it isn t easy with a vindictive ex trying to convince everyone she is actually the brains behind my company I have more to defend now and I ll do anything I have to do it
