Saviours Of Oestend:

Saviours of Oestend Marie Sexton, 2020-08-30 Life on the prairie has never been easy but now Oestend itself seems bent on destruction Banished from the BarChi by the man he loves Dante Pane must find a way to heal his broken heart while homesteading a new ranch Unable to love women afraid to love men Dante wants only to find some peace But peace is hard to come by in Oestend Ranch hands Simon and Frances came to Dante s ranch to help him rebuild but they re beginning to think the place is cursed Every building reeks of death and strange occurrences plague the land dead animals unnatural weather and voices riding wind The men hate to return to the BarChi in defeat but it s the only place unaffected by whatever sickness has taken hold of the prairie While Simon struggles with the ghosts of his past and the nature of his partnership with Frances Dante must convince Deacon and Aren to trust him again because there s more at stake than his ranch Oestend is in trouble and it will take all of them working together to set things right With the help of his faithful ranch hands Frances and Simon and the combined strength of friends both old and new Dante will fight for his life his home and the heart of the one he loves This title was previously published by Total E Bound The overall story remains unchanged but with revisions to the Simon and Frances storyline **Flowers for Him** Marie Sexton, Rowan Speedwell, 2013-10-05 He wanted to learn about beauty He never expected to learn about love Billionaire Chandler Harrison s third marriage is now history and he s left with his ex wife s parting barb You have no appreciation of beauty Determined to prove her wrong Chandler hires artist Neil Sweeney to add a mural to his office wall He doesn t even care what the picture is as long as it s beautiful Neil Sweeney is an ex tagger a free spirit and a bit of a hippie He s never met anybody as uptight as Chandler but when it comes to warming up Chandler s cold stark office Neil has plans involving more than art Chandler begins to find himself strangely moved by the mural developing on his office wall He s especially moved by the artist himself Chandler has denied his homosexual urges for most of his life but it isn t long before Neil begins introducing Chandler to all kinds of new things As Neil s masterpiece comes to life so does Chandler s appreciation for art colour and the best kind of beauty of all love Trailer Trash Marie Sexton, 2016-03-21 It s 1986 and what should have been the greatest summer of Nate Bradford s life goes sour when his parents suddenly divorce Now instead of spending his senior year in his hometown of Austin Texas he s living with his father in Warren Wyoming population 2 833 and Nate thinks that might be a generous estimate There s no swimming pool no tennis team no mall not even any MTV The entire school s smaller than his graduating class back home and in a town where the top teen pastimes are sex and drugs Nate just doesn t fit in Then Nate meets Cody Lawrence Cody s dirt poor from a broken family and definitely lives on the wrong side of the tracks Nate s dad says Cody s bad news The other kids say he s trash But Nate knows Cody s a good kid who s been dealt a lousy hand In fact he s beginning to think his feelings for Cody go beyond friendship Admitting he might be gay is hard enough but between small town prejudices and the growing AIDS epidemic dominating the headlines a town like Warren Wyoming is no place for two young men to fall in love **John Lawrence,**

Pembroke Pettridge,1887 Hand-books for Travellers in Europe and the East William Pembroke Pettridge,1891 The Ostend Story Anna E. C. Simoni,Henrick van Haestens,2003 After the famous Battle of Nieuwpoort in West Flanders in 1600 another feat of arms was to follow in the same area the Siege of Ostend which lasted from 1601 to 1604 Maurits was yet again to play the leading role and despite the fact that the outcome was less of a success for the young Republic of the Seven United Netherlands than the battle of Nieuwpoort had been the result was a Spanish conquest of a city of total devastation and by then wholly depopulated Nevertheless a considerable impression had been made upon the Northern Netherlands The most weird and wonderful machines of war had been tested whilst a variety of new military siege techniques had been brought into play There was even talk of the University of Ostend with the implication that from a military perspective the siege was a very instructive experience Many too were the rumors and the garbled tales that began to circulate soon after the end of the affair One example was the legend of the soldier in the Spanish army who appeared to be a woman In this book Dr Simoni provides a detailed and stimulating account of the manner of and the form by which the tales of these shocking occurrences arose soon after the events of the siege had been set down and immediately went into print after the details had reached the North These reports were to leave such a lasting impression in the Republic that Ostend became one of the most well known feats of arms in the penultimate stages of the struggle for freedom from Spain The book is thus a brilliant example of the received history of one of the most controversial events of the Eighty Years War The role of the Leiden printer and publisher Hendrick van Haestens stands central to the Ostend Story He provides accounts of the fighting in no less than three publications Dr

Simoni in this study reaches the conclusion that Haestens reports are deserving of a more important place than they have found thus far. It is mainly to him that we owe the provision of a clear and lively picture of the famous siege. Dr Simoni has been working over thirty years in the Department of Printed Books in the British Library where she originated the Netherlands section. Numerous works from her hand have appeared about books published in the Netherlands. Her natural gifts of generosity and friendship were honored in 1991 with a Festschrift. Across the narrow seas.
