*Shaving the Beasts* John Hartigan Jr., 2020-11-17 A vivid first person study of a notorious equine ritual from the perspective of the wild horses who are its targets Wild horses still roam the mountains of Galicia Spain But each year in a ritual dating to the 1500s called rapa das bestas villagers herd these beasts together and shave their manes and tails Shaving the Beasts is a firsthand account of how the horses experience this traumatic rite producing a profound revelation about the durability of sociality in the face of violent domination John Hartigan Jr constructs an engrossing day by day narrative chronicling the complex nuanced social lives of wild horses and the impact of their traumatic ritual shearing every summer His story generates intimate individual portraits of these creatures while analyzing the social practices like grazing and grooming that are the building blocks of equine society Shaving the Beasts culminates in a searing portrayal of the inspiring resilience these creatures display as they endure and recover from rapa das bestas Turning away from thick description to thin Hartigan moves toward a more observational form of study focusing on behaviors over interpretations This vivid approach provides new and important contributions to the study of animal behavior Ultimately he comes away with profound penetrating insights into multispecies interactions and a strong alternative to humancentric ethnographic practices **Land**

**Rover Design - 70 Years of Success** Nick Hull, 2018 A landmark new history from design journalist Nick Hull Land Rover Design 70 years of Success offers a detailed insight to the company's design story from the early days of Land Rover in Solihull to the latest generation of the Range Rover Velar in 2018 The Land Rover was born from a desperate need by the Rover Company to develop a stop gap model to provide cashflow in the post war years The original aim of a simple 4x4 agricultural tool soon developed into a multi purpose vehicle that became the mainstay of the British Army and produced numerous offshoots for the emergency services police forestry and aid agencies worldwide This book details the personalities involved in the various projects since the late 1940s up to today the designers modellers and studio engineers It charts the development of Land Rover and Range Rover projects in the UK particularly those designed in the Gaydon studio that opened in 1996 and is still a key part of JLR's design resource From the early days of chalk drawings and wooden models to today's digital renderings and milled clays for the latest Range Rover Evoque Land Rover's designers and technicians have never been short of creativity This book tells their story in their own words and is a fitting tribute to the spirit and ethos of Land Rover design and engineering **The Flashwater Murders** Mick Hare, 2012-08-27 Private Investigator Ben Franklin is

unsure about taking on a missing dog case But when the first murder victim turns up and the police identify him as their prime suspect he finds himself embroiled in a complex investigation What are the strange occurrences taking place over the man made lake known locally as The Flash How is this beauty spot on the outskirts of Manchester linked to not one but two murders With the moral fibre of a Phillip Marlowe and the determination of a 21st Century Sherlock Holmes and with his love life crumbling around him Ben Franklin bursts on the scene as the first authentic British Gumshoe Will he solve The
