

Our company was founded on an ethos to do good, to help charities and to make a positive impact. We don't believe that books should only be read once, or have a single owner.

We want to share the love of literature by rereading and reusing books. This is why our prices are low and delivery is free - to help millions of used books find new homes in over 190 countries every year.

Our values:

Responsibility

We work responsibly, value each other and treat the planet with respect.

Action
