No Mean Glasgow:

No Mean Glasgow Colin MacFarlane, 2011-03-11 In his last book *The Real Gorbals Story* Colin MacFarlane detailed how he witnessed a once great area home to wonderful characters and grand old buildings disappear before his eyes By the time MacFarlane's tenement was knocked down in the early 1970s he had left school and been rehoused in another part of the city In an attempt to extricate himself from his Gorbals gang days he took a job as an apprentice chef at one of Glasgow's top restaurants where he soon discovered that his colleagues were just as insane as those he had mixed with on the city streets Meanwhile MacFarlane struggled to integrate into the more affluent area that his family had been moved to and soon found himself returning to his old haunts and back in trouble again In *No Mean Glasgow* MacFarlane charts his eventful fun packed passage from Gorbals street boy to grown man on the brink of a new beginning He describes his adventures with a mixture of humour sadness and delight It is a book for those people living all over the world who remember the old Glasgow a city teeming with warmth passion patter and characters who could brighten up even the darkest of days **No Mean City**

Alexander McArthur (of Glasgow.), Herbert Kingsley Long, 1935 The story of life in the Gorbals a run down slum district of Glasgow now mostly demolished but re built in a contemporary style with the hard men and the razor gangs **Glasgow's**

Hard Men Robert Jeffrey, 2006-08-16 For more than 100 years the poverty of Glasgow's slums fuelled the violence of the gangs But the criminals were not Glasgow's only hard men The crimefighters from cops to chief constables and high court judges were also tough This volume is the story of both sides the good and the bad and the battle between the two

British Gangs Paul Dettmann, 2025-01-16 *British Gangs* covers the first fifty years of the twentieth century a time of upheaval and war during which the public came to fear groups of young men Much of this fear was whipped up by an expanding newspaper industry trying to increase sales with alarming and salacious stories The book finds that the gangs were not as big a menace as the public were led to believe but their activities are no less thrilling or important in the present day This is a gripping account of one aspect of working class life It covers the better known gangsters of the time such as the McDonalds Sabinis and Cortesis Alf Solomon and Billy Kimber but also as a result of days spent in newspaper archives uncovers many stories as they were reported at the time Car and bus chases gun battles shoplifting violent activity at sporting events simple street con artists and more are all included in this trove of gang stories most of which have been forgotten The book covers many lesser known incidents and stories from Britain's gangs including a look at female criminals such as Alice Diamond Mary Carr Florrie Holmes Kathleen Cooper and Josephine O Dare and the successful nightclub owner Kate Meyrick Gangs from around the country are included in cities including Manchester Liverpool Glasgow Hull Sheffield Newcastle Leeds Belfast and Dublin as well as the more often covered Birmingham and London Prison time also features as an important part of a criminal's life that is not often included in books on gangsters This is an important contribution to the recorded history of British gangs **Glasgow's East End** Nuala Naughton, 2014-10-09 From bishops to battlefields

barrowboys to business tycoons Nuala Naughton brings to life some of the characters and events that have shaped Glasgow's East End since the city's founder St Mungo first set eyes on the dear green place This entertaining lighthearted account looks at the legends behind the city's coat of arms and the foundation of the city as an ecclesiastic centre of excellence and respected seat of learning It also offers a colourful insight into tenement life with anecdotes and interviews by born and bred Eastenders the Battle of George Square in 1919 when Prime Minister Churchill waged war on unionized workers the make do and mend community and the story behind silk stockings made from used teabags and an eyebrow pencil during the Second World War the dancing the saints the sinners the City of the Dead and how the Barrowland ballroom came to the attention of the German high command and the war propagandist Lord Haw Haw From medieval Glasgow to modern times this fascinating book offers a pick n mix of fact and fiction myths and miracles surrounding the rich and sometimes turbulent history of Glasgow's East End

Glasgow's Godfather Robert Jeffrey,2011-05-22 Walter Norval was a man marked by destiny to be a career criminal in one of Britain's hardest cities As a boy he grew up in a world of illegal betting violent canal bank pitch and toss schools sleazy dance halls brothels and bars where the denizens of the slums in the north side of Glasgow slaked gargantuan thirsts and plotted murder and mayhem Before he had reached his teens close relatives had died as blood was spilled in the streets As a youngster he ran messages for the toughest gangsters in the city and stood guard over the pots of cash in illegal gambling schools It was a remarkable apprenticeship dangerous and sometimes deadly It honed a latent toughness and a talent for lawbreaking that saw him emerge in the Seventies as the first of a succession of Glasgow godfathers Dressed in pinstriped style he controlled his foot soldiers with fearsome fists and planned robberies with the attention to detail of a military general He organised various Glasgow fighting factions into a single gang which pulled off a spectacular series of robberies But unlike his successors he abhorred drugs and drug dealing And in a remarkable twist he joined the anti drugs war in later life His story told by the best selling crime historian Robert Jeffrey provides a fascinating insight into the making of a criminal mastermind from boy to man
