tourism sport or social psychology **New Approaches to Literature for Language Learning** Jeneen Naji, Ganakumaran Subramaniam, Goodith White, 2019-04-10 This book unpacks recent changes in the landscape of literature and language teaching and aims to find new explanations for the altered relationships between readers and writers the democratisation of authorship and the emergence of new ways of using language By examining topics as various as literature and technology multimodality and new Englishes the authors take a fresh look at the use of literature as a tool in the teaching of English to second language speakers More than simply a way of teaching aesthetic and ethical values and rhetorical skills they argue that literature can also be used to help students to critically evaluate assumptions about society culture and power which underpin the production and reception of texts The book relates theories of language acquisition and literary criticism to examples of literary texts from a wide range of global literature in English and discusses new ways of engaging with it such as transmedia story telling book blogs and slam poetry It will be of interest to language teachers and teacher trainers and to students and scholars of applied linguistics TESOL and digital literacies **Border Crossings** Richard Dobson, 2020-05-05 When Richard Dobson toured the border county of Herefordshire in 2005 following in the footsteps of Victorian artist Henry Thornhill Timmins he recorded the experience in his subsequent book In My Own Time Join him in his latest tour as he describes in their words what earlier writers discovered as they travelled through the Welsh Marches even before the word tourism was first used **Painting Flowers** Sian Dudley, 2018-02-02 Painting flowers is a joyful experience to capture and celebrate the colour form and beauty of flowers in watercolour is an endlessly exciting pursuit This book encourages you to experiment and play when you paint to enjoy the process of creating a painting and to develop your own style as you observe and render either a single stem or a full floral abstract By moving from the tight constraints of botanical illustration it encourages a looser style of floral painting that allows for a more personal and unique interpretation of the subject Contents include Observational skills the importance of looking closely at a subject to see detail in a new way Understanding your materials and equipment looks at traditional tools and paints but also how photography and other digital media can be used to the artist s advantage Inspiration and design ideas suggest ways to express emotions by experimenting with colour shapes concepts and narrative Demonstrations exercises studio tips and projects guide the way but the book s emphasis is on developing your own ideas and styles through creative experimentation Beautifully illustrated with 273 colour images

Reflecting on Clinical Practice Spiritual Care for Healthcare Professionals Gordon Tom, Kelly Ewan, David Mitchell, 2017-11-22 In the past 10 years spirituality and spiritual care have been much debated in professional healthcare literature highlighting the need for a recognised definition of spiritual care to enable appropriate assessment of and response to spiritual issues This accessible and highly relevant book surveys the numerous statements guidelines and standards highlighted by these discussions and equips healthcare professionals with the knowledge skills and competence to provide the essence of spiritual care within their professional practice Practical and evidence based this manual proves that delivery

of good professional spiritual care can build on intuitive human skills and can be taught learned assessed and quantified It gives readers the opportunity to move on from uncertainties about their role in the delivery of spiritual care by allowing them to assess and improve their understanding skills and clinical practice in this area of care Spiritual Care for Healthcare Professionals clearly grounds spiritual care in clinical practice It is highly recommended for supporting academic study and encouraging healthcare practitioners to reflect on their practice and develop skills in spiritual assessment and care Aimed at all healthcare professionals it can be used by individual practitioners for continuing professional development as well as by academic staff developing educational programmes **Bust your stress** Dr. Jyotsana Codaty,2012-04-01 Written by a renowned physician and transfusion medical specialist this self help manual takes through various stages of identifying stressor in daily life and suggest how to cope with them This book focuses on various situations pertaining to life in India At various points the text combines science sociology and offers an insight into the mechanism of stress in Indian psyche

Poems of nature (from Sons of the Emerald Isle) Burton Egbert Stevenson,1926 **Wild Blueberry Summer** Jon C. Stott,2025-05-01 The excitement of arriving at the Little Cabin in the Big Woods in late spring the joy of greeting old friends people birds and forest animals listening to bird calls to tell the time of day and spotting different flowers to mark the progress of the seasons visits to favorite out of the way spots the first harvest of blueberries and the aroma of the first batch of fresh out of the oven muffins Wild Blueberry Summer celebrates these memories and moments Every summer is both wonderfully new and comfortingly familiar The prose poems in this collection paint word pictures of treasured experiences from the gentle awakening of ever returning spring to the first signs of winter's deep sleep Wild Blueberry Summer is a celebration of memories family and place where the fortunate who spend summers at the amazing Little Cabin in the Big Woods mark the passing weeks not by a calendar on a wall but by the wildflowers currently in bloom and by the songs of the birds who claim territory in the woods or on the lake Sue Harrison national bestselling author of The Midwife's Touch To feel what the Stotts feel to inhale the fresh air they breathe at their summer home to swim with them in the cold clear lake to watch stars spread a canopy above them when darkness pushes the day away is to immerse yourself in Wild Blueberry Summer Sharon M Kennedy author of The SideRoad Kids Series You will enjoy the gentle self effacing humor and the crystal clear language of this memoir Its philosophy reminds me of Walden but the writing is far more to my liking If you want to learn how to become in tune with nature Jon Stott is your guide Bob Rich author of From Depression to Contentment From Modern History Press **I Just Wish I Had a Bigger Kitchen** Kate Strickler,2025-08-26 In a social media saturated world it's all too easy to see the shiny lives of others and find your own less than lustrous And while most women won't admit they're unhappy they will tell you they just wish I love my life I just wish____ After 10 plus years of professional life online Kate Strickler founder of Naptime Kitchen has experienced the many ways we see a life on the other side of the screen and wish it were our own Setting out to fight the lie that what she had wasn't enough Kate discovered simple perspective shifts that

ultimately helped her fall in love with the life she already had Here she shares the small changes you can make that add up to a whole new outlook on life With her trademark real life tips and life hacks mixed with humor and stories she s never shared before Kate helps you identify and dismantle 10 lies about relationships money time and home life As you discover how to live and mother in ways that work for you and your family you ll stop just wishing your life away and begin to truly enjoy the one you already have The Real Life Story of Stem Cells Bhaskar Vyas,Rajni Vyas,2021-01-01 This book is an autobiographical narration of the research activities with penchant and passion by two leading clinicians who turned towards stem cell research in later years of their life The book is about facts as they happened it also includes fiction as it should be a part of any novel and there is fantasizing as well as what one would like to be in the future Facts fiction and fantasy are frequently flavoured with philosophy as well The authors axiomatically classify themselves as philosophers Advocating that philosophy is the mother of all disciplines they narrate how they jumped into deep waters of expensive stem cell research The book describes how did they blunder at times and also cites the appearance of guardian angels to salvage them Floundering from cell biology to different kinds of stem cell applications the book describes where they have now parked at a far horizon on the edge of new discovery of a wonderful drug They ignite a spark of caution with restrictive regulations The book ends with reframing the poem by Rabindranath Tagore Into that heaven of regenerative medicine my Father let my country awake
