November 2010 Geography Paper 2 Memo

Martin Thomas, Gareth Curless

November 2010 Geography Paper 2 Memo:

Decolonization and Conflict Martin Thomas, Gareth Curless, 2017-06-15 Insurgency based irregular warfare typifies armed conflict in the post Cold War age For some years now western and other governments have struggled to contend with ideologically driven guerrilla movements religiously inspired militias and systematic targeting of civilian populations Numerous conflicts of this type are rooted in experiences of empire breakdown Yet few multi empire studies of decolonisation s violence exist Decolonization and Conflict brings together expertise on a variety of different cases to offer new perspectives on the colonial conflicts that engulfed Europe s empires after 1945 The contributors analyse multiple forms of colonial counter insurgency from the military engagement of anti colonial movements to the forced removal of civilian populations and the application of new doctrines of psychological warfare Contributors to the collection also show how insurgencies their propaganda and methods of action were inherently transnational and inter connected The resulting study is a vital contribution to our understanding of contested decolonization It emphasises the global connections at work and reveals the contemporary resonances of both anti colonial insurgencies and the means devised to counter them It is essential reading for students and scholars of empire decolonization and asymmetric warfare

Russia's Frozen Frontier Alan Wood, 2011-04-15 Told from a Siberian point of view this book seeks to dispel something of the miasma of ignorance and misconception surrounding this vast expanse the planet s land surface its fascinating history its natural environment and most importantly the peoples who live or have lived and died there

Labels of Origin for Food Elizabeth Barham, Bertil Sylvander, 2011 Agri food traditional regional and typical products are an important resource for agricultural and rural development in many areas of the European Union These Origin Labelled Products OLPs activate a complex system of relationships involving the local production and marketing and distribution systems rural development dynamics and the consumer Based on research conducted in European countries this book provides an account of the current state of OLPs enabling a better understanding of their characteristics and evolution in the

agri food system It also assesses public policies at vario **Betrayed** S. Kaplan,2013-11-26 Betrayed takes a new approach to the subject of global poverty one that doesn't blame the West but also doesn't rely on the West for solutions Betrayed puts the poor themselves at center stage and shows how their entrepreneurial energies are shackled by political and social discrimination When these shackles are removed as is happening in places such as China and Vietnam the poor are able to seize opportunities and drive wealth creation Combining the latest research into poverty and state building with the author's personal observations drawn from years running businesses in the developing world Betrayed explains how leaders in the developing world can build more inclusive societies and more equitable governments thereby creating dynamic national economies and giving the poor the opportunity to accumulate the means and skills to control their own destinies This refreshing new approach will appeal to business people who are fed up with reading critiques of global poverty that see capitalism as the problem not the solution people in both the global North and South who want to see attention focused not on Western aid but on what developing countries and their citizens can do to help themselves scholars and practitioners in the development field who are looking for new practicable ideas and general readers who want accessible and engaging accounts of ordinary people struggling to overcome poverty **Deepening Neoliberalism, Austerity, and Crisis** Julien

Mercille,Enda Murphy,2015-07-07 From bank bailouts to austerity Europe's and Ireland's response to the economic crisis has been engineered specifically to shift the burden of paying for the crisis onto ordinary citizens while investors financiers bankers and the privileged are protected The authors expose the class based nature of Ireland's crisis resolution

offers a thorough examination of the struggle between automobiles residents pedestrians and other users of streets along with evidence based practical strategies for redesigning city street networks that support urban livability In 1981 when Donald Appleyard's Livable Streets was published it was globally recognized as a groundbreaking work one of the most influential urban design books of its time Unfortunately he was killed a year later by a speeding drunk driver This latest update Livable Streets 2.0 revisited by his son Bruce updates the topic with the latest research new case studies and best human centered practices for creating more livable streets for all It is essential reading for those who influence future directions in city and transportation planning urban design and community regeneration and placemaking Incorporates the most current empirical research on urban transportation and land use practices that support the need for more livable communities Includes recent case studies from around the world on successful projects campaigns programs and other efforts Contains new coverage of vulnerable populations **The Fire Below** Robert Bruce Ware,2013-05-13 This

groundbreaking work examines the complex dynamics of Russia's relations with the Caucasus revealing the profound effects that Caucasian forces have had upon Russia's development Essays show how Georgian sparks ignited conflagrations in South Ossetia 1991 1992 and Abkhazia 1992 1993 spreading northward to conflicts in Ossetia and Ingushetia 1992 and Chechnya 1994 1996 Combined with jihadist influences that entered from the South and East by way of Dagestan these events culminated in the second Russo Chechen war 1999 2009 Chechnya transformed both the Russian military and the presidency of Vladimir Putin Beginning in 2000 Putin's Chechenization strategy had unforeseen and controversial results for the entire Russian Federation These ironies are elucidated in case studies of the Stavropol region the Sochi Olympics the Pussy Riot conviction and Russia's efforts to reintegrate religion with politics against the backdrop of an emerging Islamic inner abroad Neither Russia nor the Caucasus can be understood without an appreciation of their uneasy interconnection and its explosive consequences

Addressing Uncertainty about Future Airport Activity Levels in Airport Decision Making Ian S. Kincaid, 2012 This report provides a guidebook on how to develop air traffic forecasts in the face of a broad range of uncertainties It is targeted at airport operators planners designers and other stakeholders involved in planning managing and financing of airports and it provides a systems analysis methodology that augments standard master planning and strategic planning approaches This methodology includes a set of tools for improving the understanding and application of risk and uncertainty in air traffic forecasts as well as for increasing overall effectiveness of airport planning and decision making In developing the guidebook the research team studied existing methods used in traditional master planning as well as methods that directly address risk and uncertainty and based on that fundamental research they created a straightforward and transparent systems analysis methodology for expanding and improving traditional planning practices applicable through a wide range of airport sizes The methods presented were tested through a series of case study applications that also helped to identify additional opportunities for future research and long term enhancements
