

PRELIMINARY INVESTIGATION REPORT

Subject: CCRI Athletic Department

INTRODUCTION:

The JAMED Co. has been retained by Mr. Louis Pullano, the Director of Athletics for the Community College of Rhode Island, in order to review the daily operations of the Athletic Department. The scope of this preliminary investigation is to define both the current and future workflow needs of the Department. Upon completion of the preliminary investigation, JAMED Co. will provide the Athletic Department with a detailed analysis of all departmental activities and recommendations for future enhancements, both technical and administrative, for consideration.

SYSTEMS REQUEST SUMMARY:

Currently, the Athletic Department tracks the following information: academic eligibility and statistical information representing both team and individual accomplishments. The Department has the ability to collect viable data. The underlying problem that was initially presented in the system request and later reinforced during a series of interviews (Appendix A) conducted by JAMED Co. is the lack of a collection system that is easy to use, efficient at tracking athletic information, and scalable for future web interaction.
