

Mariama Ba And Sindiwe Magona

1. Introduction

The critical analysis of gender probabilities in the African context is not a new venture but a significant discussion to the development of gender, cultural and feminist theorists. This study investigates the limitations to empowerment Africa women face at the hands of patriarchal societies, exacerbated by the oppression and subjugation employed by traditional, cultural and religious norms within two different African countries, that is, Senegal and South Africa. The research analyzes two novels by important women writers in African literature, Mariama Ba and Sindiwe Magona. These two dedicated women writers examine the different ways in which African patriarchy and religion broadly manifests itself regarding the position of women. Mariama Ba's novel *So Long A Letter* (1981) expresses the Islamic and African laws which core existed in Senegal. As Layiwola (1998: 153) state, *So Long a Letter* narrates, in a personal correspondence to another friend, the woes of a ... [Show more content on Helpwriting.net](#) ... As a result, patriarchal perspectives combined with women's economical dependence on men, make reaching self actualization a terrifying or challenging experience and if not impossible for most women. Thus, there is need for an understanding of the experiences that these women undergo in order to implement useful and effective interventions, which are culture sensitive. Mariama Ba's novel *So Long A Letter* sheds light to the need of African societies to be enabling for women who suffer at the hands patriarchy, tradition and religion which oppresses and exacerbates gender stereotypes towards them. However, some African societies as an acknowledgement of Mariama Ba's style of writing and thematic concerns are still practicing religious and traditional norms that thwart the attainment of possibilities of emancipation. Similarly Magona's

addition teachers who experience a mixed population or teach cross cultural composition will find the book a valuable resource Other books have thoroughly covered the theoretical aspects of writing assessment but none have focused as heavily as this book does on pragmatic classroom aspects of writing assessment Further no book to date has included an in depth examination of the machine scoring of writing and its effects on second language writers Crusan not only makes a compelling case for becoming knowledgeable about L2 writing assessment but offers the means to do so Her highly accessible thought provoking presentation of the conceptual and practical dimensions of writing assessment both for the classroom and on a larger scale promises to engage readers who have previously found the technical detail of other works on assessment off putting as well as those who have had no previous exposure to the study of assessment at all

Ethics and Public Administration H George Frederickson, John A. Rohr, 2015-03-04 Ethics and Public Administration refutes the arguments that administrative ethics cannot be studied in an empirical manner and that empirical analysis can deal only with the trivial issues in administrative ethics Within a theoretical perspective the authors qualify their findings and take care not to over generalise results The findings are relevant to the practice of public administration Specific areas addressed include understanding public corruption ethics as control and ethics as administration and policy
