Censoring Sex John E. Semonche, 2007-07-20 In this gracefully written accessible and entertaining volume John Semonche surveys censorship for reasons of sex from the nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance and radio television and the Internet The tale is varied and interesting replete with a stock of colorful characters such as Anthony Comstock Mae West Theodore Dreiser Marcel Duchamp Opie and Anthony Judy Blume Jerry Falwell Alfred Kinsey Hugh Hefner and the Guerilla Girls Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America and Semonche tells that tale with insight and flair Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified At various times all of the following groups were perceived as needing protection from sexually explicit materials children women the lower classes and foreigners As social and political conditions changed however the simple fact that someone was a woman or a day laborer did not support stereotyping that person as weak or impressionable What would remain as the only acceptable rationale for censorship of sexual materials was the protection of children and unconsenting adults For each mode of media Semonche explains via abundant examples how and why censorship took place in America Censoring Sex also traces the story of how the cultural territory contested by those

advocating and opposing censorship has diminished over the course of the last two centuries Yet Semonche argues the censorship of sexual materials that continues in the United States poses a challenge to the free speech that is part of the foundation upon which the nation is built Indeed in an era in which sexual images are pervasive and the need for reliable information about sex and sexuality is growing he questions the remaining rationales for censorship and the justification for placing obscenity outside the protection of the U S Constitution

*Rock Music Styles* Katherine Charlton, 2003 Rock music styles a history *Performing Glam Rock* Philip Auslander, 2006 Explores the many ways glam rock paved the way for new explorations of identity in terms of gender sexuality and performance [Enter Culture, Exit Arts?](#) Semi Purhonen, Riie Heikkilä, Irmak Karademir Hazir, Tina Lauronen, Carlos J. Fernández Rodríguez, Jukka Gronow, 2018-09-26 Key debates of contemporary cultural sociology the rise of the cultural omnivore the fate of classical highbrow culture the popularization commercialization and globalization of culture deal with temporal changes Yet systematic research about these processes is scarce due to the lack of suitable longitudinal data This book explores these questions through the lens of a crucial institution of cultural mediation the culture sections in quality European newspapers from 1960 to 2010 Starting from the framework of cultural stratification and employing systematic content analysis both quantitative and qualitative of more than 13 000 newspaper articles Enter Culture Exit Arts presents a synthetic yet empirically rich and detailed account of cultural transformation in Europe over the last five decades It shows how

classifications and hierarchies of culture have changed in course of the process towards increased cultural heterogeneity Furthermore it conceptualizes the key trends of rising popular culture and declining highbrow arts as two simultaneous processes the one of legitimization of popular culture and the other of popularization of traditional legitimate culture both important for the loosening of the boundary between highbrow and popular Through careful comparative analysis and illustrative snapshots into the specific socio historical contexts in which the newspapers and their representations of culture are embedded in Finland France Spain Sweden Turkey and the UK the book reveals the key patterns and diversity of European variations in the transformation of cultural hierarchies since the 1960s The book is a collective endeavour of a large scale international research project active between 2013 and 2018      *Sound Roots* Dana Everson,2008-11-12 Dana F Everson lays out the process for a pastor or interested layman to develop their own biblical philosophy of music that pleases the Lord      **Notes from Underground** Thomas Cushman,1995-07-06 Notes From Underground offers the first Western sociological study of rock music and counterculture in Russian society Based on participant observation in depth interviews and life history analysis the author provides a detailed ethnographic examination of the origins and local meanings of rock music and the countercultural way of life of rock musicians in St Petersburg during the socialist period of Russian history Rock music served as the basis for alternative forms of individual and collective identity which stood as beacons of difference and resistance in the bleak cultural environment of socialist industrial society Cushman explores the experiences of members of the St Petersburg musical community after the dissolution of the Soviet Union in order to shed light on the following questions What happens to oppositional underground culture when it comes up from the underground What is the fate of Russian rock music and those who make it under new conditions of the rapid capitalist rationalization of post Soviet Russian society The book traces the experiences of musicians in new capitalist culture markets both in Russia and in Western societies to illustrate the more general process of commercialization of dissent which is taking place in post communist societies Russia s entrance into the path of Western capitalist modernity is viewed not so much as a path to freedom and cultural autonomy but as the intersection of two trajectories of modernity that has given rise to new and unique cultural dilemmas It concludes with an examination of important theoretical issues about the problematic relationship between capitalism cultural freedom and democracy in contemporary Russian society      **Voice Secrets** Matthew Hoch,Linda Lister,2016-05-31 In Voice Secrets 100 Performance Strategies for the Advanced Singer Matthew Hoch and Linda Lister create order out of the chaotic world of singing They examine all aspects of singing including nontechnical matters such as auditioning performance anxiety score preparation practice performance tips business etiquette and many other important topics for the advanced singer Voice Secrets provides singers with a quick and efficient path to significant improvement both technically and musically It is the perfect resource for advanced students of singing professional performers music educators and avid amateur musicians The Music Secrets for the Advanced Musician series is designed for instrumentalists singers

conductors composers and other instructors and professionals seeking a quick set of pointers to improve their work as performers and producers of music Easy to use and intended for the advanced musician contributions to Music Secrets fill a niche for those who have moved beyond what beginners and intermediate practitioners need **Special Action Office**

Sampsel,2009 Introduces music students to the major print and electronic research tools available to them both for graduate level music bibliography or research courses and for any music courses requiring students to write research papers It guides students to the most significant English language research tools and resources reference titles in major areas and the principal sources in French German Italian and Spanish Publisher s description **Hunters & Collectors's Human Frailty** Jon Stratton,2023-03-09 Released in 1986 Hunters and Collectors album Human Frailty is one of the most important

Australian albums of the last two decades of the twentieth century It was pivotal in the group's career and marked the group's move into pub rock It is unashamedly concerned with love and desire The album challenged traditional understandings of Australian masculinity while playing music to predominantly male audiences No other Australian group would have dared or indeed been able to get their audience to roar You don't make me feel like a woman anymore the culminating line off Human Frailty's first track and the first single taken from the album Say Goodbye The second track on the album Throw Your Arms Around Me has become an Australian standard an anthem sung drunkenly more by women than men in pubs at weddings and similar occasions Human Frailty is an album that transcended the critical categories of its time
