rewards of tailoring instruction to each child's needs while catering to his or her inquisitiveness and curiosity. See why the number of children being taught by their parents is growing nationwide at home there are no overcrowded classrooms no unknown dangers lurking in the halls and no doubts as to the quality of the education. Whether you are just contemplating homeschooling or are a veteran seeking fresh ideas and help in overcoming obstacles look no further. Real life Homeschooling shows just how practical and rewarding it is to educate children and provide them with what they need most.

School as a Journey Torin M. Finser, 1995-10 *School as a Journey* is a lively colorful absorbing account of one Waldorf's teacher's journey with his class through the curriculum from first through eighth grades. A moving story told in a straightforward anecdotal humorous style it is an excellent introduction to what goes on inside the classroom of a Waldorf school. *School as a journey* was written with both parents and educators in mind. Filled with pedagogical gems it will be an invaluable resource for understanding the practical implications of Rudolf Steiner's insight into child development. Extensively documented it can serve as a study text for anyone wishing to go deeper into the works of Rudolf Steiner and others experienced in Waldorf education.

Choosing and Using Curriculum Joyce Herzog, 2015-03-16 Have you ever asked yourself any of these questions: What am I doing? Why am I doing it that way? Are there other ways? Which way is best for my family? Where do I get the resources I need to make it happen? How do I avoid over spending on curriculum? This book is a wealth of information. Topics and chapters include: Comparison of reading programs, Comparison of math programs, Developing written expression, Adapting materials for special situations, General homeschooling resources, Resources for blind deaf and speech language, Curriculum types and styles, How to take a snapshot of your child's progress. This book is a two hour read that will provide you with direction comfort and the means to make your homeschool some together in the ways you dream of. It will help you clear your brain and know your mind and then find the resources you need to carry out your newly discovered vision. You don't want to start homeschooling without it.
