Albanian Urban Lyric Song in the 1930s Eno Koço, 2004-04-30 This resource aims to introduce Western audiences to what is perhaps the least known heard or discussed urban folk music in Europe Although this music Albanian urban song is the most prominent of Albanian musical genres it has continuously been overlooked by musicologists in favor of rural folk music Some commentators have implied that Albanian urban music was not as genuinely Albanian as the music of its mountains and countryside But it is no less a part of the country s musical history particularly in the twentieth century and is equally as pure an expression of Albanian spirit and culture The author examines the indigenous diatonic and chromatic modes used in Albanian urban music and classifies them under traditional headings and as part of a newly established grouping here termed south western Balkan modes The core of the work is the analysis of Albanian urban lyric songs seen as an artistic

version of the traditional Albanian urban songs When these songs began to enter the classical repertoires the pioneers of the 1930s suggested that based on the Albanian urban songs the new genre should be developed into urban lyric song Whatever its origin whether Near Eastern or south western Balkan the composer arrangers and the lyric singers of the Albanian urban lyric song in the 1930s conceived them on the whole as Western vocal and instrumental products Complemented by two music CDs Albanian Urban Lyric Song in the 1930s provides musicologists students of Balkan music and curious readers with an enlightening discussion of a much overlooked but richly rewarding musical tradition

Scanderbeg A.K. Brackob, 2020-05-01 The struggle of the Albanian people led by George Castriota Scanderbeg to defend Europe against the assault of the Ottoman Turks has been much celebrated For a quarter of a century from 1443 until his death in 1468 he used his military prowess to thwart the efforts of the most powerful Empire in the world at the time to subdue his tiny country One of the true heroes of the Middle Ages in Europe unfortunately the remarkable story of Scanderbeg remains little known outside of Albania George Castriota defended Europe for a quarter of a century and it can rightly be said helped to save Western civilization from being overrun by Islam and suffering the same fate as the once mighty Byzantine Empire This book examines the genius and remarkable achievements of Scanderbeg who helped shape the

identity of the Albanian people and reveals the important contribution this small but proud nation has made to European civilization Although the challenges have changed over the centuries the clash of civilizations which the history of the Albanian struggle to fend off the Islamic onslaught illustrates continues today As a result it is all the more worth noting the contribution that this tiny land led by Scanderbeg made in the fight to preserve Western culture and civilization Equally important is the example set by the Albanian people in ultimately harmonizing these two great civilizations A K Brackob has a Ph D in history from the University of Illinois at Urbana Champaign He is a specialist on the history of southeastern Europe during the Middle Ages and author of *Mircea the Old Father of Wallachia Grandfather of Dracula* *Frank Leslie's Illustrated Newspaper* John Albert Sleicher,1902 **Southern Albania Or Northern Epirus in European International Affairs, 1912-1923** Edith Pierpont Stickney,1926
