The World in Paint David Peters Corbett, 2004 This anonymous manuscript play has long been the subject of scholarly dispute regarding its relationship with Shakespeare's Richard II This edition which thoroughly re-examines the text situates the play within its historical and political context relating it to the genre of chronicle drama to which it belongs The manuscript is of particular interest in that it appears to have been used in the playhouse over a considerable period of time and contains what seems to be evidence of the theatre practice of the time The play is also of special interest for its skilful and original handling of source material which may well have influenced Shakespeare's Richard II The extensive appendices drawn from Holinshed Grafton and Stow provide the reader with the opportunity to investigate the manner in which the dramatist has shaped the material The editors argue for the play's stage worthiness and dramatic complexity suggesting that its range both of dramatic tone and social inclusiveness indicate the work of a dramatist of considerable skill and subtlety equal or superior to the Shakespeare of the Henry VI plays

Early Nature Artists in Florida: Audubon and His Fellow Explorers Chris Fasolino, 2021 Florida's amazing landscapes and fascinating wildlife were sources of inspiration for early naturalists seeking new horizons Among them was John James Audubon Elegant herons acrobatic terns endearing pelicans and colorful roseate spoonbills all feature among his beloved artwork But Audubon was not the first nature artist inspired by Florida Mark Catesby an English country squire turned adventurer helped introduce the wonders of Florida to a European audience in the 1700s And William Bartram a Pennsylvania Quaker traveled south to explore the Florida wilderness where he canoed across a lake full of alligators and lived to sketch the creatures Author Chris Fasolino shares the stories of these artistic expeditions in a collection replete with gorgeous artwork that includes high definition images of Audubon's rarely seen original paintings
