Oxford Guide To Effective Writing:

Oxford Guide to Effective Writing and Speaking John Seely, 2013-10-10 John Seely's guide to writing and speaking is aimed at the general reader and post 16 year old students who want to improve both their written and spoken communication skills

Effective Writing Skills for Public Relations John Foster, 2008-06-03 Effective Writing Skills for Public Relations is a valuable reference source on the basics of style and presentation with helpful hints on making the best use of written communication. It advises on how to write concisely using jargon free language whilst avoiding overused words and phrases. There is guidance on policing house style with emphasis on consistency and advice on punctuation, headlines and captions. As well as this, there are tips on what makes a good press release and how to use effective design and layout to produce easy to read text. Readers will also find help on public speaking, pronunciation and the standard writing skills needed in the office. This fourth edition includes new sections on website content and design, legal issues in websites and emails, what journalists look for in company websites, meeting the needs of your target audience, controlling and getting the best out of emails, writing and designing ezines, setting up online media centres and comparing Video News Releases with B rolls of roughly edited footage. Standard proof correction marks are included together with a glossary of terms. This is an essential hands on practical guide for anyone earning a living through the written or spoken word

Grammar for Teachers John Seely, 2006-11 An outline of grammar for teachers and teachers in training covering all the terminology required for the National Literacy Strategy and National Curriculum up to Key Stage 3

Radical Reporting Sara I. James, 2025-01-31 If I were giving out an award for book of the year for internal audit professionals I would certainly award it to her outstanding manuscript *Radical Reporting: Writing Better Audit Risk Compliance and Information Security Reports* Richard Chambers. Former President and CEO The Institute of Internal Auditors. Most people dread writing reports, they also dread reading reports. What they don't realize is that the techniques that make writing more readable make it more powerful. This is especially relevant for professionals in areas such as audit risk compliance and information security. This small volume provides the tools and techniques needed to improve reports. It does so through addressing crucial concepts all too often overlooked in the familiar rush to perform tasks, complete projects and meet deadlines. These concepts: the role of culture in communication, the link between logic and language, the importance of organizing thoughts before writing and how to achieve clarity may seem academic or theoretical. They're not. Unless writers understand their own thoughts, actions and objectives, they cannot hope to communicate them at all, let alone clearly. This second edition develops these points with additional material on critical thinking as well as the use of AI in reporting

Writing Skills for Public Relations John Foster, 2012-10-03 Writing Skills for Public Relations is filled with helpful pointers and useful examples for public relations practitioners at all levels who need to make the best use of written communication. Covering both style and presentation, it addresses the dos and don'ts of English grammar including jargon and clichés as well as important legal considerations. Along

with guidance on editing policing house style writing for the press public speaking pronunciation and good text design and layout this fifth edition provides valuable advice on writing for online and social media This is an essential hands on practical guide for anyone earning a living through the written or spoken word *Researching and Writing Dissertations* Roy Horn,2012-02-01 From finding a topic to writing and reviewing your work *Researching and Writing Dissertations* is an essential tool for anyone working on a dissertation or business report This new edition is now suitable for students studying the CIPD Level 7 Advanced units Investigating a Business Issue and Using Information in HR but is equally relevant for all non CIPD students too Covering everything from strategies for finding and developing a dissertation topic and how to develop a research proposal through to what methodology to use and how to analyse your data this is the only book you need to write clear effective and compelling dissertations and reports In addition to practical guidance on the researching and writing up of projects this book includes essential guidance on effective time management and how to ensure that projects are completed and submitted on time as well as invaluable insights through real life student and supervisor comments Fully supported by online resources including an instructor s manual and lecturer slides as well as templates checklists and quizzes for students *Researching and Writing Dissertations* is a book that anyone working on dissertations research projects or business reports can t afford to be without *Doing Your Social Science Dissertation* Judith Burnett,2009-05-13
