Performance and the Contemporary City Nicolas Whybrow, 2020-05-15 Cities with their rising populations and complex configurations have become key symbols of a fast changing modernity This timely collection gathers together various urban writings from a range of relevant disciplines including architecture geography sociology visual art ethnography and psychoanalysis Its focus however is performance Underscoring the importance of the field it shows how performance functions as a dynamic interdisciplinary mechanism which is central not only to understanding the multiplicity of urban living but also to the way the identities of cities are shaped Gathering together key writings on the city and performance by authors ranging from Walter Benjamin to Tim Etchells to Carl Lavery the reader can be navigated in any number of ways Supported by extensive introductory material it will be essential and evocative reading for anyone interested in making connections between performance and urban life *The Oxford Handbook of Shakespeare and Performance* James C.

Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today

Performance and Participation Anna Six, Helen Nicholson, 2017-09-16 This edited collection gathers together leading voices in theatre and performance studies to debate the politics of participation and find points of connection across a range of performative forms including community theatre live art applied theatre one to one performance and marathon running Arranged in three sections Recognising Participation Labours of Participation and Authoring Participation the book raises productive questions about how and why audiences are encouraged to participate in creating the artistic work This intersection the authors suggest blurs the boundaries between producer and consumer promising modes of engagement that are at once political social and aesthetic Applying theoretical ideas to concrete discussions of practice this is an ideal resource for undergraduate and postgraduate students of applied theatre political and socially engaged theatre participatory

Participatory Theatre and the Urban Everyday in South Africa Alexandra Halligey, 2019-12-06 This book explores theatre and performance as participatory research practices for exploring the everyday of the city Taking an inner city suburb of Johannesburg South Africa as its central case study the book considers how theatre and performance might be both useful practical tools in considering the everyday city as well as conceptual lenses for understanding it The author establishes an understanding of space as ever evolving and formed through the ongoing relationship between things human and non human and considers how theatre and performance offer useful paradigms for learning about and working with city spaces As ephemeral embodied material artistic practices theatre and performance mirror the nature of everyday life The book discusses theatre and performance games and placemaking processes as offering valuable ways of discovering daily acts of place making and providing insights that more conventional research methods may not allow Yet the book also considers how seeing daily city life as a kind of performance a kind of theatre in its own right helps to further understandings of city spaces as ever evolving through complex webs of relationships This book will be of interest to academics academic practitioners and post graduate students in the fields of theatre and performance studies urban studies and cultural geography

Translocality in Contemporary City Novels Lena Mattheis, 2021-03-19 Translocality in Contemporary City Novels responds to the fact that twenty first century Anglophone novels are increasingly characterised by translocality the layering and blending of two or more distant settings Considering translocal and transcultural writing as a global phenomenon this book draws on multidisciplinary research from globalisation theory to the study of narratives to urban studies to explore a corpus of thirty two novels by authors such as Chimamanda Ngozi Adichie Dionne Brand Kiran Desai and Xiaolu Guo set in a total of ninety seven cities Lena Mattheis examines six of the most common strategies used in contemporary urban fiction to make translocal experiences of the world narratable and turn them into relatable stories simultaneity palimpsests mapping scaling non places and haunting Combining and developing further theories approaches and techniques from a variety of research fields including narratology human geography transculturality diaspora spaces and postcolonial perspectives Mattheis develops a set of cross disciplinary techniques in literary urban studies

Performing Dream Homes Emily Klein, Jennifer-Scott Mobley, Jill Stevenson, 2019-01-22 This anthology explores how theatre and performance use home as the prism through which we reconcile shifts in national cultural and personal identity Whether examining parlor dramas and kitchen sink realism site specific theatre travelling tent

shows domestic labor border performances fences or front yards these essays demonstrate how dreams of home are enmeshed with notions of neighborhood community politics and memory Recognizing the family home as a symbolic space that extends far beyond its walls the nine contributors to this collection study diverse English language performances from the US Ireland and Canada These scholars of theatre history dramaturgy performance cultural studies feminist and gender studies and critical race studies also consider the value of home at a time increasingly defined by crises of homelessness a moment when major cities face affordable housing shortages when debates about homeland and citizenship have dominated internationalelections and when conflicts and natural disasters have displaced millions Global struggles over immigration sanctuary refugee status and migrant labor make the stakes of home and homelessness ever more urgent and visible as this timely collection reveals

The Gender Politics of Contemporary Performance in Northern Ireland Alexander Coupe,2024-12-07 This book examines theatre and performance produced since the 1998 Belfast Good Friday Agreement in the context of growing discontent with the failure of the peace in Northern Ireland to deliver genuinely transformative forms of social justice The economic expansion that attended the peace accord propelled the growth of the region s theatre and performance sector and assisted in increasing the representation of women and LGBTQ people across the arts Despite this much of the performance work produced since 1998 has illuminated the darker social consequences of Northern Ireland s embrace of a specifically neoliberal vision of a post conflict society Existing scholarship has already highlighted the role of theatre and performance in drawing attention to the misogyny and homophobia that has underwritten political antagonism in the North since partition Instead this book offers a sustained examination of contemporary performance makers that have engaged specifically with the reconstruction of gender norms amidst the region s political and economic transformation The story it tells is of an emerging current in theatre performance art and dance consisting of work concerned not only with uncovering the morbid symptoms of the neoliberal peace but also embodying those messy and everyday conditions of co dependency vulnerability and solidarity that both patriarchal nationalisms and androcentric individualism seek to deny

Performance, Subjectivity, Cosmopolitanism Yana Meerzon,2020-08-07 This book looks at the connection between contemporary theatre practices and cosmopolitanism a philosophical condition of social behaviour based on our responsibility respect and healthy curiosity to the other Advocating for cosmopolitanism has become a necessity in a world defined by global wars mass migration and rise of nationalism Using empathy affect and telling personal stories of displacement through embodied encounter between the actor and their audience performance arts can serve as a training ground for this social behavior In the centre of this encounter is a new cosmopolitan a person of divided origins and cultural heritage someone who speaks many languages and claims different countries as their place of belonging The book examines how European and North American theatres stage this divided subjectivity both from within the way we tell stories about ourselves to others and from without through the stories the others tell about us

Performance and the City Kim

Solga, S. Orr, D.J. Hopkins, 2016-04-30 Winner of the Association for Theatre in Higher Education Excellence in Editing Award
2016 Urban studies has long understood the city as a text What would it mean now to use performance to rethink that metaphor Performance and the City queries the role theatre and performance play in urban policy architecture and civic history while also exploring their important place in the memories created in the wake of urban trauma
