General, Organic, and Biochemistry Media Update Ira Blei, George Odian, 2008-12-19 Blei and Odian's text gives students the tools they need to develop a working understanding of chemical principles rather than just asking them to memorize facts. Now available in a new media enhanced version complete with its own online course space learning environment. ChemPortal Blei Odian is better suited than ever to meet the needs of the students taking this course. The Media Update version of Blei Odian includes references to dynamic interactive tutorials which provide a step by step walkthrough of concepts and problem solving skills as well as answer specific feedback and practice problems. We recognize that all introductory courses are not alike. For that reason we offer this text in three versions so you can choose the option that's right for you.
