Automotive News, 2008 **The Difference** Scott E. Page, 2025-05-13 In this landmark book Scott Page redefines the way we understand ourselves in relation to one another The Difference is about how we think in groups and how our collective wisdom exceeds the sum of its parts Why can teams of people find better solutions than brilliant individuals working alone And why are the best group decisions and predictions those that draw upon the very qualities that make each of us unique The answers lie in diversity not what we look like outside but what we look like within our distinct tools and abilities The Difference reveals that progress and innovation
