Fifteen Lectures On Traditional Chinese Culture Peng-cheng Kung, 2022-01-10 This book is edited based on a series of lectures on Chinese cultural history delivered at the Peking University in 2004 It stands out with its distinctive methodology and unique stand and is popular with readers with 17 reprints for the Chinese edition since 2006 Before the 1980s traditional culture was often the target of criticisms and put in a negative light in China After the 1980s due to the belief that traditional culture can contribute to modernization people decided to take its essence and discard its dregs As of today most books on this theme have been written in accordance with this principle However in this book the author argues that many problems have emerged from the modernization of the Western society and thus the need for reflection and re examining Traditional Chinese culture is a source for comparison and reflection As such when we discuss traditional culture nowadays not only should we excavate its long hidden meanings but we should also develop contrastive resources to facilitate our collaborative development in future The discussions in this book adopt a vertical structure that begins with how Chinese define a human followed by topics on the human body Qi food male and female home and state the relationship between heaven and human beings ritual systems historical consciousness thinking patterns the art of expressing sentiments commitments to the politics of virtues and achievements and cultural practices In every chapter there is also a horizontal method of comparison on Chinese Western and Indian cultures to foreground the particularities and advantages of the Chinese culture Apart from elaborating on the major characteristics of traditional Chinese culture there is also a discussion on how the modern disdain for and misunderstandings of the traditional culture originated from the West The author also elaborates on Montesquieu's views of China and the various misconceptions and misunderstandings of the traditional Chinese legal systems Finally it ends with the author's thoughts on the revitalization of the Chinese civilization

Only Emotion Endures Francis J. Cebulski, Frank Cebulski, 2009 This collection of poems my third after *Corm Berkeley Oyez* 1974 and *Mediterranean Sonnets* Berkeley North Atlantic Books 1988 was written largely during the period in my life when I was a graduate student in English and American literature at the University of California Berkeley and then later Fulbright Lecturer to France at the University of Metz where I taught British and American literature and poetry and American culture to upper division students preparing to become teachers of English in France and elsewhere These poems therefore span a period of over twenty years from the mid 1960s through the 1980s I completed *Mediterranean Sonnets* in a flurry of intense writing in 1978 before I left for France as I wanted this book finished and ready for publication before I set off on my year's adventure in France as Fulbright Lecturer As can be seen by the date of its publication it was ten years before this book of poems was published recommended by Robert Duncan to Richard Grossinger owner and publisher of North Atlantic Books For this and other kindnesses I have dedicated this book to Robert He was a good friend and companion during this period of
