Third Series** Library of Congress. Copyright Office,1972 100-year-old Romanian Recipes and Advice from My Great Grandmother Cristina Popa Tache, A PRECIOUS DISCOVERY As it was summertime and holiday period I started renovating my parents house With trembling emotion I came across some maps and notebooks that timeworn some were culinary recipes others were tips for the household written by my great grandmother Tudora and completed by my grandmother Elena Probably between 1918 1924 judging by its appearance it had been written and used in a school for girls where household courses were taught teachers had studies in this field and diplomas were awarded After a time of great emotion I realized that it would be good to let those around me know about my discovery especially since I noticed a historical coincidence the year 2018 being a centenary of the Great Union Day that every Romanian celebrates on December 1st Among the writings forgotten in the attic and discovered by me there were books of theological courses and a watch that belonged to my mother s father Efrem Ionescu priest and Conservatory graduate An outstanding figure of his time and region together with Saint Calinic he founded the church in Bue ti Ialomita he was spoiled every day of his life not only by his grandmother Elena teacher of tens of generations through the joy of the healthiest and tastiest food but also by his mother Paraschiva and his mother in law Tudora It was like going back in time One of the notebooks is presented to you today to make use with the pleasure of the recipes and tips of the 1920 s but also to compare these recipes with others collected in time The book is in fact a basis for what was commonly eaten in those times Of course I will also publish in a subsequent volume the other recipes I discovered but I decided to present above all this booklet taking advantage of the relaxing moments offered by the summer This is how it is that today almost 100 years after its writing my great grandfather s book makes sure we will not forget what the main recipes and tips in any settlement were The pages of today s booklet are packed with photos from which it appears that their way of socialization was much stronger than today s The housewives of the time

excelled in culinary arts competing in the preparation of the dishes enjoying them every week when they met in the family At one point the communists seized power and confiscated their assets many of them inherited only a few objects have escaped and the scars still remain now only to be transformed into stars One of the pages of the booklet presents the confiscation report and shows what was taken exactly at some point However what belonged to education and in essence to the main heritage of the family was saved Read the book to find out much more Cristina Popa Tache *The Hole in the Flag* Andrei Codrescu,1991 A Hole in the Flag is both a chronicle of the changes that have taken place in Romania over the past year and a personal portrait of a man and his emotional attachment to his mother country a poetic look at joy and disappointment

Blood Brothers Pamela Hill,2014-09-28 The vow of blood brotherhood usually taken on an island involves cutting the wrists of two participants who may otherwise be enemies and swearing to protect one another s descent and if required to inherit his land This is the story of three of these vows Cnut son of Sweyn who had invaded England in 1014 had fought a two year war with his blood brother Edmund Ironside the eldest son of Ethelred II The two men battled for their kingdom and the result was a draw They agreed to divide it between them but Ironside was treacherously murdered In a battle to inherit the crown Cnut cuts off the chances of losing his kingdom and marries royal widow Emma of Normandy Though she has two sons in Normandy she demands that any child born to Cnut and herself must inherit the crown On European islands where promises were sworn to be kept the royal leaders make allies in hope that they can manipulate their destiny Unfortunately for the leaders of Denmark Norway and Normandy they have no control over who will be declared King of England and the only way to change the decision is to declare battle Murder conflict power and possession soars through the land before the Battle of Hastings commences but who will reign and who will fall This book chronicles the power and politics that destroyed and rebuilt the kingdom of England From 1014 to the epic battle of 1066 this tale follows the Viking Norman and English armies as they travel to protect their land for their families and for themselves Blood Brothers will appeal to anyone
