5. Why were the Populists so focused on the monetary system in America? What did they hope their changes would accomplish?

Populism Study Questions Ws

Mateja Sedmak, Zorana Medarić, Sarah Walker

Populism Study Questions Ws:

Populism and Politics Peter H. Argersinger, 2014-07-15 This study focuses attention of the People's party which existed for a short time in the 1890s. Despite its brief existence, the party and the movement that brought it into being had a lasting effect on American politics and society. Populism originally developed outside the political system because the system had proved incapable of responding to real needs. As the movement was transformed into the People's party, however, much of its responsive nature was lost. The People's party became subject to the same influences that guided the old parties and it became more concerned with winning office than with promoting genuine reform. In finding this sharp distinction between Populism and the People's party, Mr. Argersinger portrays Populism not as a success but as a tragic failure betrayed from within by politicians who followed political dictates rather than Populist principles. Mr. Argersinger studies the Populist predicament in organizing a national movement in a time of political sectionalism and discovers neglected phases of Populist activity in the crucial campaign of 1896. He suggests that there may have been some validity to the charge of Populist conspiracy-mindedness.

Populism and the Web Mojca Pajnik, Birgit Sauer, 2017-08-25 The Web plays an increasingly important role in the communication strategies of political parties and movements which increasingly utilize it for promoting ideas and ideologies as well as mobilization and campaigning strategies. This book explores the role of the Web for right-wing populist political parties and movements across Europe. Analyzing these groups' discourses and practices of online communication, it shows how social media is used to spread ideas and mobilize supporters whilst also excluding constructed others such as migrants, Muslims, women, or LGBT persons. Expert contributors provide evidence of a shift in the strategies of mainstream parties as they also engage in Internet populism and suggest ways that progressive movements can and do respond to counter these developments. Topics are explored using a cross-country analysis which does not neglect the particularities of the national contexts. This work will appeal to researchers and students working in the fields of media and communication studies, political theory, policy analysis, studies of populism, racism, and nationalism, gender, LGBT, migration, Islam, and welfare.

Political Psychology Perspectives on Populism Gilda Sensales, 2024-04-12 This book explores the different forms of populism in European countries. Starting from a theoretical point of view, the authors outline the various psychosocial precursors of populisms that have emerged from empirical investigations. Using both mainstream and critical perspectives, the book shows how the field has driven multiple research programmes and methodologies. The authors draw on questionnaires and political communication via social media to analyse the opinions, attitudes, and representations of laypeople and populist leaders. The volume is aimed at researchers, students, and readers with expertise on the subject. It collects contributions from scholars of social psychology proposing an innovative reading of the social, cognitive, motivational, and emotional processes that can fuel populism.

Children's Voices: Studies of interethnic conflict and violence in European schools Mateja Sedmak, Zorana Medarić, Sarah Walker, 2014-05-09 How are the processes of increasing ethnic

and racial diversity reflected in European schools How do children and educators experience and perceive interethnic relations in schools This book examines the issues of interethnic coexistence the management of ethnic diversity xenophobic and racial attitudes and in particular the under researched topic of interethnic violence among children in the school environment Drawing together qualitative and quantitative data across five European countries it offers an insight into the views personal experiences and responses of children from different ethnic backgrounds to interethnic violence in European schools International contributors from England Slovenia Cyprus Italy and Austria come together to provide a comparative study of experiences of interethnic conflict and violence in primary and secondary school classrooms Each chapter focuses on positive measures that can combat discrimination providing examples of good practice as well as considering the position of the school in promoting citizenship in an increasingly global world By examining the experiences and perspectives of children educators and experts the book provides up to date research findings in the field and suggests key mechanisms for addressing interethnic violence in schools With support schools can play a key role in alleviating interethnic tensions and combatting ethnocentrism through the implementation of strong policies acting as protected spaces Children s Voices Studies of interethnic conflict and violence in European schools is of international relevance both within Europe and beyond and will appeal to researchers teachers and policy makers concerned with race equality in the classroom **Cultural**

Studies in Question Marjorie Ferguson, Peter Golding, 1997-04-28 This major text offers a critical reappraisal of the contemporary practice of cultural studies It focuses in particular on the contribution of cultural studies to the understanding of media communications and popular cultures in contemporary societies The contributors an outstanding group of internationally acclaimed scholars examine topics such as the different strands of cultural studies and how they are developed whether cultural studies is a coherent discipline tensions and debates within cultural studies alternative or related approaches to contemporary media and society and the movement by cultural studies revisionists towards more empirical and sociological modes of analysis Polanyi in times of populism Christopher Holmes, 2018-04-17 The rise of populism

across Europe and the US first in the wake of the 2008 global financial crisis and then in the shape of Donald Trump s presidential campaign and the Brexit vote in 2016 are indicative of a seismic shift in the terrain of economic ideas in public discourse Settled liberal norms concerning ever increasing international market expansion and the political integration required to sustain it have been decisively upset by political forces that whilst once on the fringes now dominate economic debate How might we make sense of this ideological breakdown and what might we hope for next This book turns to the work of Karl Polanyi for answers developing the expansive historicised approach to political economy that Polanyi pioneered Holmes provides a wide ranging history of economic ideas read in terms of a series of hopeful theoretical visions of order in which political social and ecological contradictions could be transcended in one way or another Through this the book demonstrates that the failing utopian visions of pre 2008 economic orthodoxy which have formed the backdrop to the rise of

populism today are only the latest in a series that stretches across economic thought in Western modernity as a whole This book will interest students and scholars of IPE political science sociology anthropology law and history Ethical Journalism in a Populist Age , Stephen J. A. Ward,2018-09-26 Fake news alternative facts and daily attacks on the media from the Trump White House are redefining the media s role for a new generation Mainstream media has traditionally allowed journalists two roles In order to remain ethical they must either be neutral observers reporting the facts or signal that they are biased interpreters espousing a partisan agenda In this provocative new work leading global media ethicist Stephen Ward suggests that journalism needs to embrace a third path and begin practicing a new kind of journalism democratically engaged journalism It is only by breaking free of dualistic ethical practices that the world s media will be able to address Trumpism a heady mix of populism authoritarian leadership narrow patriotism and moral tribalism Us versus Them Weaving in rich examples from daily journalism this timely book will address practical questions such as how to cover a constant torrent of presidential tweets how fact checking plays a part in democratically engaged media and how journalists should respond to the pressure to be patriotic in their coverage of global issues such as immigration and the impact of Trump s America First foreign policy At issue is the need to construct a new journalism ethics for today s social context We need a new approach to journalism ethics not only to report on the Trump presidency but also for reporting in a digital global world **Oregon State Monographs. Studies in Political Science** Oregon State University,1950 **Text** W. S. Hill,Edward M. Burns,2002-05 The newest volume in the distinguished annual *A Practical Guide to Middle and Secondary Social Studies* June R. Chapin,2007 Following in the vein of her best selling elementary book June Chapin focuses on key topics that are critical to the teaching of social studies in the middle and secondary classrooms This brief practical book enables readers to concentrate on the crucial relevant strategies and content to become effective social studies teachers who will be able to teach in a wide diversity of classrooms The goal for the reader is to teach social studies creatively and thoughtfully so that their students become knowledgeable and responsible citizens acting on core values and beliefs **Choice Reviews in Women's Studies, 1990-96** Association of College and Research Libraries,1997 This is a collection of reviews that appeared in CHOICE magazine of over 2 000 women s studies titles Arranged alphabetically by subject matter using the editor s classifications each entry reprints the text of the original review gives bibliographic data and indicates readership level Cold War , **The Pioneers of Development Economics** Jomo Kwame Sundaram,2005-09 A survey of the main influences on the development of modern development economics *The Taiwan Question in Xi Jinping's Era* Suisheng Zhao,2024-11-01 Taiwan is one of the flashpoints with the potential to spark a war in East Asia With the rhetoric of striving for peaceful unification Xi Jinping has made clear that the Taiwan question is China s core national interest making it essentially non negotiable and important enough to go to war How has Beijing s Taiwan policy evolved What is the support for armed reunification among the Chinese people And how have Taiwan s internal dynamics and external relations changed

in response to Beijing's evolving policy toward Taiwan. These are crucially important questions that this edited volume delves into and hopes to answer. This book will appeal to students and scholars of Chinese foreign policy, Taiwan studies and cross Strait relations, Political Science, International Relations as well as Asian politics more generally. The chapters in this book were originally published in the *Journal of Contemporary China* and are accompanied by a new Introduction.

The History of Poland M. B. B. Biskupski, 2018-09-07 This book is an engaging explanation of the complicated history of Poland, one of the least well known countries in Europe. Poland, which has one of the strongest economies in the European Union, has faced significant turmoil throughout the years. Encapsulating centuries of development, this book distills Poland's historical evolution into patterns including those that have developed since the first edition was published nearly 20 years ago. The book begins with an overview of contemporary Poland, providing both basic information about the geography, culture and current political climate of the country while tying these to major contemporary issues. This introduction is followed by chapters discussing Poland's long history starting with the 10th century. The second half of the book presents a history of Poland in the 20th and 21st centuries, covering the major issues affecting the country and offering possible interpretations of them. This updated and revised edition accounts for recent events in Poland and examines the effects of the Polish diaspora globally.

Social Psychology Paul Dickerson, 2024-04-19 This thoroughly updated second edition of *Social Psychology* addresses pressing topics such as climate change, activism, digital technology, pandemics and AI. With three new chapters on group behaviour, culture and social cognition, this edition engages in even more detail with both classic and contemporary approaches and draws on a wider range of critical perspectives. Through accessible section by section critiques, a vibrant sense of relevance, debate and new possibilities are brought to the world of social psychology. As you read this book, you will be guided by a range of chapter activities that promote deeper learning, including: In the news boxes which highlight the relevance of social psychology to today's world; Critical review summaries which evaluate the literature covered; Focus boxes to highlight classic and contemporary research studies; Try it out boxes which contain short activities, questions or reflection prompts; Definitions boxes to remind you of key terms and their meanings; Review questions to check your understanding; In a nutshell bite sized summaries of the ideas covered in each chapter. And more. This essential resource is a must have for students who want to go beyond a superficial awareness of names and theories to develop a deep critical understanding of social psychology and its relevance to the real world. Paul Dickerson is Associate Professor of Psychology at University of Roehampton, London.

From the Catbird Seat Kathryn L. Corbett, Kathleen Preston, 1998 This 25 year history of the women's studies program at Humboldt State University, California, is based on two surveys completed by former and current program leaders: n 10 faculty members, n 18 and students, n 201, as well as on the authors' personal recollections. After an introductory chapter, individual chapters address the following topics: 1. origins of the program; 2. the academic program including courses, structure and definitions; 3. the faculty from the original nine program founders through the 1970s, 1980s and 1990s; 4. the

students and changes through the 1970s 1980s and 1990s 5 program leadership and the changing role of the Women s Studies program leader 6 women s studies beyond the classroom and 7 issues and trends such as women s studies as a program or a department women s studies as a discipline tokenism course selection cross listing of courses teaching diversity and the women s center A concluding chapter offers final thoughts of the two authors Attached are a timeline and an appendix which includes titles of women s studies courses names of instructors and program leaders the survey questions a curriculum analysis by George A Corbett a summary of women s studies classes by term and year and a complete roster of women s studies and related classes Contains 15 references DB

Lords of Misrule A. Taylor, 2004-11-10 Flamboyant cultured and refined aristocracy is often seen as a national treasure Lords of Misrule takes a different view and considers the role of an aristocracy behaving badly This is a book about the political social and moral failings of aristocracy and the ways in which they have featured in political rhetoric Drawing on the views of critics of aristocracy it explores the dark side of power without responsibility Less patrician paragons than dissolute and debauched debtors the aristocrats featured here undermined rather than augmented the fabric of national life For the first time Lords of Misrule recaptures the views of those radicals and reformers who were prepared to contemplate a Britain without aristocrats

Socialism and American Life, Volume II Donald Drew Egbert, Stow Persons, 2015-12-08 Easily the most comprehensive and useful work on American socialism including its history theories and impact on life culture and economic and political parties in the United States Volume 2 bibliography is as important a contribution as the essays Hereafter students of practically all phases of American life will turn to it for help and guidance U S Quarterly Book Review Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
