pornography plays a role in the abuse inflicted on them by their ex partners On top of these harms male pornography consumption is strongly correlated with attitudes supporting violence against women Many researchers practitioners and policy makers believe that adult pornography is a major problem and offer substantial evidence supporting this claim Violence against Women in Pornography unlike books written mainly for scholarly and general audiences specifically targets students enrolled in undergraduate criminology deviance women s studies masculinities studies human sexuality and media studies courses Thoughtful discussion questions are placed at the end of each chapter and appropriate PowerPoint slides and suggestions for classroom exercises will be available to aid student understanding The main objective of this book is to motivate readers to think critically about adult pornography and to take progressive steps individually and collectively to curb the production and consumption of hurtful sexual media including that from the dark side of the Internet

and the visual cultures of swingers Treating these developments as part of a broader set of economic and cultural transformations this book argues that new porn practices reveal much about contemporary and competing views of sex and the self the real and the body culture and commerce *The Pornography Industry* Shira Tarrant,2016-03-01 The Pornography Industry What Everyone Needs to Know addresses key issues and concerns about a controversial and very hot topic Written for a curious and intelligent audience interested in the foundations and developments of the industry the book touches on the history of pornography landmark legal cases the latest medical research and ongoing political debates It provides reliable information for everyday readers who want to know more about these provocative issues to make their own best decisions about the debates **Girls Negotiating Porn in South Africa** Deevia Bhana,2022-07-15 The book investigates how teenage girls in South Africa encounter and consume pornography situating their experiences within wider sociocultural and affective relations of power It focuses on girls online playful and pleasurable pursuits as they explore and expand upon their sexual curiosities In this digital moment the book directs us to the multi layered meanings around porn as an everyday normative experience The book takes on an interdisciplinary approach drawing from and inspired by new feminist materialism and assemblage theorising For teenage girls porn is freely available to see in billboards magazines books on television music videos games online streaming and social media sites Girls do not have to view hardcore porn to see porn it is everywhere It argues that girls online playful adventures are a critical site for learning developing and negotiating gender and sexuality These meanings are constitutive of pleasure and the pursuit of learning sexually but they also provide a launchpad for girls to contest race gender and heterosexual domination while opening up online porn to broader interrogation and critique The book will be of interest to researchers across African studies sociology psychology anthropology youth gender and sexuality studies porn studies and childhood studies *The Right to Sex* Amia Srinivasan,2021-09-21 Laser cut writing and a stunning intellect If only every writer made this much beautiful sense Lisa Taddeo author of *Three Women* Amia Srinivasan is an unparalleled and extraordinary writer no one X rays an argument a desire a contradiction a defense mechanism quite like her In stripping the new politics of sex and power down to its fundamental and sometimes clashing principles *The Right to Sex* is a bracing revivification of a crucial lineage in feminist writing Srinivasan is daring compassionate and in relentless search of a new frame Jia Tolentino author of *Trick Mirror* Reflections on Self Delusion Thrilling sharp and deeply humane philosopher Amia Srinivasan's *The Right to Sex* Feminism in the Twenty First Century upends the way we discuss or avoid discussing the problems and politics of sex How should we think about sex It is a thing we have and also a thing we do a supposedly private act laden with public meaning a personal preference shaped by outside forces a place where pleasure and ethics can pull wildly apart How should we talk about sex Since MeToo many have fixed on consent as the key framework for achieving sexual justice Yet consent is a blunt tool To grasp sex in all its complexity its deep ambivalences its relationship to gender class race and power we need to move beyond

yes and no wanted and unwanted We do not know the future of sex but perhaps we could imagine it Amia Srinivasan's stunning debut helps us do just that She traces the meaning of sex in our world animated by the hope of a different world She reaches back into an older feminist tradition that was unafraid to think of sex as a political phenomenon She discusses a range of fraught relationships between discrimination and preference pornography and freedom rape and racial injustice punishment and accountability students and teachers pleasure and power capitalism and liberation The Right to Sex Feminism in the Twenty First Century is a provocation and a promise transforming many of our most urgent political debates and asking what it might mean to be free

The Space of Sex Shelton Waldrep, 2021-05-20 As film and television become ever more focused on the pornographic gaze of the camera the human body undergoes a metamorphosis becoming both landscape and building part of an architectonic design in which the erotics of the body spread beyond the body itself to influence the design of the film or televisual shot The body becomes the mise en scene of contemporary moving imagery Opening The Space of Sex Shelton Waldrep sets up some important tropes for the book the movement between high and low art the emphasis on the body looking and framing the general intermedial and interdisciplinary methodology of the book as a whole The Space of Sex's second half focuses on how sex gender and sexuality are represented in several recent films including Paul Schrader's The Canyons 2013 Oliver Stone's Savages 2012 Steven Soderbergh's Magic Mike 2012 Lars Von Trier's Nymphomaniac 2013 and Joseph Gordon Levitt's Don Jon 2013 Each of these mainstream or independent movies and several more are examined for the ways they have attempted to absorb pornography if not the pornography industry specifically into their plot According to Waldrep the utopian elements of seventies porn get reprocessed in a complex way in the twenty first century as both a utopian impulse the desire to have sex on the screen to re eroticize sex as something positive and lacking in shame with a

mixed feeling about pornography itself with an industry that can be seen in a dystopian light In other words sex in our contemporary world still does not come without compromise

Unfinished Business Anna Goldsworthy,2013-06-20 On the surface it seems the best time ever to be a woman in Australia The prime minister governor general and the richest person are all female women are at the forefront of almost every area of public life Yet when Julia Gillard s misogyny speech ricocheted around the world it clearly touched a nerve Why In the fiftieth Quarterly Essay Anna Goldsworthy examines life for women after the gains made by feminism From Facebook to 50 Shades of Grey from Girls to gonzo porn what are young women being told about work and equality about sex and their bodies Why do many reject the feminist label And why does pop culture wink at us with storylines featuring submissive women Unfinished Business is an original look at role models and available options in the age of social media and sexual frankness Goldsworthy finds that progress for women has provoked a backlash from some who wield misogyny as a weapon whether in parliament on talkback radio or as internet trolls With piercing insight and sharp humour she lays bare the dilemmas of being female today and asks how women can truly become free subjects There is a charmed zone for a girl shortly before she is ambushed by puberty At eleven or twelve she is usually taller than her male peers more articulate and more confident than she will be for years She probably spends a lot of time in front of a screen words and images flickering in her eyes Facebook Slutwalks Lady Gaga Girls Mad Men gonzo porn Twilight Fifty Shades of Grey What messages are being broadcast to her and what messages is she hearing Are they going to make her bigger or smaller Anna Goldsworthy Unfinished Business
