Insights and Explorations in Democracy, Political Unrest, and Propaganda in Elections Aluko, Opeyemi Idowu, Oluwadele, Lalekan Bolu, 2023-07-10 Democracy is a very important system of government found all over the world A cardinal principle of democracy is periodic elections Elections have various forms of propaganda at

different levels whether for unity division continuity or another purpose It is essential to research further into the developments in propaganda and political unrest so that global democracies may ensure credible elections and smooth governmental processes Insights and Explorations in Democracy Political Unrest and Propaganda in Elections investigates how democratic governments can ensure credible elections in a peaceful atmosphere and an atmosphere of political unrest amidst various propagandas The book assesses whether democratic peace is expected in all democracies despite the free occurrence of political unrest across many democratic societies in Europe America Asia and Africa Covering topics such as democratic accountability political leadership and youth marginalization this premier reference source is an essential resource for government officials public policy brokers politicians students and educators of higher education researchers and academicians Militant Right-Wing Extremism in Putin's Russia Miroslav Mareš, Martin Laryš, Jan Holzer, 2018-10-25

Militancy continues to be characteristic of many supporters of the Russian far right encompassing a belligerent rhetoric a strong perception of participants as political warriors and often the use of physical violence How serious a threat does Russian militant right wing extremism pose to Russia and the World and how has the level of threat changed over time This book addresses this question by exploring right wing extremism in Russia its historical context and its resurgence over the past thirty years Outlining the legacies and forms presented by current right wing extremism with a particular focus on militant extremism it employs a historical descriptive method to analyse the threats and risks posed Presented within the framework of research on extremism and political violence related to the Russian political thought the book outlines the key criteria of identifying threats such as the level of violence ability to gain supporters and penetration of governing elites Primarily aimed at researchers and academics in political science extremism security studies and the history of Russia and Eastern Central and South East Europe this book will also be of interest to political journalists and practitioners in international security **Jay Pather, Performance, and Spatial Politics in South Africa** Ketu H. Katrak, 2021-03-02 Jay

Pather Performance and Spatial Politics in South Africa offers the first full length monograph on the award winning choreographer theater director curator and creative artist in contemporary global performance Working within the contexts of African studies dance theater and performance Ketu H Katrak explores the extent of Pather s productive career but also places him and his work in the South African and global arts scene where he is considered a visionary Pather a South African of Indian heritage is known as a master of space site and location Katrak examines how Pather s performance practices place him in the center of global trends that are interdisciplinary multidisciplinary collaborative and multimedia and that cross borders between dance theater visual art and technology Jay Pather Performance and Spatial Politics in South Africa offers a vision of an artist who is strategically aware of the spatiality of human life who understands the human body as the nation s collective history and who is a symbol of hope and resilience after the trauma of violent segregation Archaeologies of Hitler's Arctic War Oula Seitsonen, 2020-10-29 This book discusses the archaeology and heritage of the German military

presence in Finnish Lapland during the Second World War framing this northern overlooked WWII material legacy from the nearly forgotten Arctic front as dark heritage a concrete reminder of Finns siding with the Nazis often seen as polluting war junk that ruins the pristine natural beauty of Lapland's wilderness The scholarship herein provides fresh perspectives to contemporary discussions on heritage perception and ownership indigenous rights community empowerment relational ontologies and also the ongoing worldwide refugee crisis *Policing and Boundaries in a Violent Society* Guy

Lamb,2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization *Artificial Intelligence and Global Security* Yvonne R.
