BACKGROUND

The South African Army, through its Military Skills Development System (MSDS), is offering young South African citizens an opportunity to serve in uniform on a two-year contract. The Recruits will receive military training and further functional training in their first year of service. During the second year of service they will be deployed where needed and given opportunity to apply their knowledge and develop their skills.

General Requirements:

- RSA Citizen (No dual citizenship)
- 18 – 22 years of age (Gr 12)
- 18 – 26 (3 years Tertiary Qualification or N6) when reporting.
- Successfully completed Grade 12
- Admission Point Score (APS) of 17 and above excl Life Orientation (LO).
- Have no criminal record or pending cases.
- Comply with medical fitness requirements for the appointment.
- No Visible tattoos (Legs, lower arm, neck and face)

Other Requirements

- Minimum height Females 148cm, Males 155cm and Minimum weight Females 48kg, Males 52kg (Females BMI: 18,5 – 30; Males BMI: 19 – 30)
- Applicants will be subjected to drug testing, Psychometric and medical evaluation, verification of Criminal record, pre-screening and verification of qualifications.

Careers within the SA Army and other specifications:

Infantry, Armour, Artillery, Air Defence Artillery, Intelligence (height requirement 1,65m), Defence Intelligence (Gr 12 with Bachelor's pass, with English L4, Mathematics and Physical Science L4, Geography and History L4), Engineering (Mathematics and Physical Science L3), Signalers, Human Resources, Logistics, Fire & Rescue (Mathematics and Physical Science L5), Hospitality, Music, Technical Service (Mathematics and Physical Science L3), Military Police, Ammunition (Mathematics and Physical Science L5 or N3 Mechanical or Electrical Engineering, fitting and turning)

Hand deliver your application to the nearest recruitment centre or via post at SA Army Recruitment postal address:

SA Army HQ, Chief Directorate Army Corporate Services
 Directorate Army Human Resources, Recruitment Section
 Private Bag X981, Pretoria, 0001

If you have not been contacted by 31 December 2024, kindly consider your application to be unsuccessful.

MSDS APPLICATION CLOSING DATE: 15 March 2024

THIS APPLICATION FORM IS NOT FOR SALE

Sa Army2016 Ref No

Philippa Levine

Sa Army2016 Ref No:

The Eastern Fleet and the Indian Ocean, 1942-1944 Charles Stephenson, 2022-04-06 A study of the British Royal Navy's activities in the Indian Ocean during World War II led by Admiral Sir James Somerville. The story of the British Eastern Fleet which operated in the Indian Ocean against Japan has rarely been told. Although it was the largest fleet deployed by the Royal Navy prior to 1945 and played a vital part in the theatre, it has no place in the popular consciousness of the naval history of the Second World War. So Charles Stephenson's deeply researched and absorbing narrative gives this forgotten fleet the recognition it deserves. British pre-war naval planning for the Far East is part of the story, as is the disastrous loss of the battleship Prince of Wales and battlecruiser Repulse in 1941, but the body of the book focuses on the new fleet commanded by Admiral Sir James Somerville and its operations against the Japanese navy and aircraft, as well as Japanese and German submarines. Later in the war, once the fleet had been reinforced with an American aircraft carrier, it was strong enough to take more aggressive actions against the Japanese, and these are described in vivid detail. Charles Stephenson's authoritative study should appeal to readers who have a special interest in the war with Japan, in naval history more generally, and the Royal Navy in particular. Praise for The Eastern Fleet and the Indian Ocean 1942-1944. This meticulously researched, outstandingly clear, well-written and absorbing account is long overdue and will most likely become a standard work. The text is most helpfully supported by over 80 pages of detailed end notes referenced to each chapter and a detailed index. This is not only a book for naval historians but also for anyone with an interest in the War in the Indian Ocean region. Highly recommended. Military Historical Society. I enjoyed this book; it gives us an account of an often neglected part of the war at sea and of the achievements of Admiral Somerville, who kept his fleet intact in the face of a potentially overwhelming opponent, then was willing to acknowledge that his fleet needed to improve massively before it could take on the Japanese. Dr John Rickard, author and webmaster of the Military History Encyclopedia on the Web.

Individual Creativity in the Workplace Roni Reiter-Palmon, Victoria L. Kennel, James C. Kaufman, 2018-08-07 Rapid technological change, global competition, and economic uncertainty have all contributed to organizations seeking to improve creativity and innovation. Researchers and businesses want to know what factors facilitate or inhibit creativity in a variety of organizational settings. Individual Creativity in the Workplace identifies those factors, including what motivational and cognitive factors influence individual creativity, as well as the contextual factors that impact creativity, such as teams and leadership. The book takes research findings out of the lab and provides examples of these findings put to use in real-world organizations. It identifies factors facilitating or inhibiting creativity in organizational settings, summarizes research on creativity, cognition, and motivation, provides real-world examples of these factors operating in organizations today, highlights creative thought processes and how to encourage them, outlines management styles and leadership to encourage creativity, explores how to encourage individual creativity in team contexts.

Military, Politics and Democratization in Southern Africa Tendai

Chari, Patrick Dzimiri, 2023-08-10 This book explores multiple challenges faced by democratization in Southern Africa Applying a wider lens to the concept of political transition and employing a variety of theoretical and methodological approaches the contributions gathered here explore residual political cultural practices that hinder democratic consolidation in Southern Africa Presenting various case studies the book tackles themes such as the military political nexus leadership renewal constitutionalism electoral politics election violence marginalization of women civil society and political transition media framing and transitional justice Written from a multidisciplinary perspective and drawing on empirical data from multiple sources this edited volume challenges orthodox conceptualizations of political transition The book will be of interest to students and scholars of political science African studies and related fields as well as policy makers and professionals interested in the latest political developments in Southern Africa The British Army Reference for Ulysses Scholars Peter L. Fishback, 2020-11-11 This is the first volume of a two volume work entitled The British Army on Bloomsday It contains a history of the British Army through 1904 with an emphasis on Ireland and Irish history Includes extensive detailed material on commissioned and enlisted life during the Late Victorian Era especially for Irish soldiers the Irish Militia the armies of the British East India Company and a description of the British Army of 1904 The book s subject matter is viewed through the lens of James Joyce s Ulysses with multiple references to material in the novel The book gives the serious Ulysses reader full background information on the military events and characters that appear throughout Joyce s groundbreaking and most popular novel While this volume focuses on the British Army the second volume The British Army in Ulysses narrows in on the novel The chapters on Molly Bloom and her father Major Tweedy present new findings that will likely provoke controversy among Joyceans Related Website www.majortweedy.com **Professional Journal of the United States Army** ,2016-07 **Military Review** ,2016 *Contemporary Issues in South African Military Psychology* Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 *Contemporary Issues in South African Military Psychology* is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria *South Africa and United Nations Peacekeeping Offensive Operations* Garcia, Antonio, 2018-08-16 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key

strategic role in achieving the FIB s objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges Defence Diplomacy and National Security Strategy Ian Liebenberg,Dirk

Kruijt,Shrikant Paranjpe,2020-04-20 The post cold war era presented security challenges that at one level are a continuation of the cold war era at another level these phenomena manifested in new forms Whether the issues of economics and trade transfer of technologies challenges of intervention or humanitarian crisis the countries of the South previously pejoratively labelled Third World or developing countries have continued to address these challenges within the framework of their capabilities and concerns The volume explores defence diplomacies national security challenges and strategies dynamics of diplomatic manoeuvres and strategic resource management of Latin American southern African and Asian countries

Moral Injury and Nonviolent Resistance Alice Lynd,Staughton Lynd,2017-05-01 When ordinary people have done seen or failed to prevent something that betrays their deeply held sense of right and wrong it may shake their moral foundation They may feel that what they did was unforgivable In this thoughtful book culled from a wide range of experiences Alice and Staughton Lynd introduce readers to what modern clinicians philosophers and theologians have attempted to describe as moral injury Moral injury if not overcome can lead to an individual giving up turning to drugs alcohol or suicide But moral injury can also demand that one turn one s life around It offers hope because it indicates resistance to the use of violence that offends a sense of decency Within the military and in prisons institutions created to use force and violence against perceived enemies there have arisen new forms of saying No to violence From combat veterans of America s foreign wars to Israeli refuseniks and from hardened criminals in supermax confinement in Ohio to hunger strikers in California s Pelican Bay prison the Lynds give us the voices of those breaking the cycle of violence with courageous acts of nonviolent resistance As we become more awake to the horrors that we as a society have done or failed to prevent and when we become aware of what conscience demands of us in the face of recognizable violations of fundamental human rights we may take heart from the exemplary actions by individuals and groups of individuals described in this book **Franks and Northmen** Daniel Mellen,2024-06-03 Franks and Northmen explores the full spectrum of Franco Scandinavian interaction examining not just violence but also less well known relationships centered on acts of diplomacy commerce and mission and demonstrating the transformative nature of cross cultural encounter during the Viking Age In the year 777 the Frankish sources mention the Northmen better known to most as the Vikings for the first time By the tenth century these Northmen

once a mysterious people on the borders of the Carolingian Empire would be a familiar presence in the Frankish world As raiders and pillagers the Vikings would fill the pages of Frankish authors leaving a legacy that continues to fascinate even to the twenty first century But a closer look at sources both textual and material reveals that the relationships between Franks and Northmen were far more complex and multifaceted than a rigid focus on Viking violence might suggest Merchants carried goods across the North Sea missionaries encouraged new ways of understanding the world and Franks and Northmen formed relationships and bonds even amidst conflict and violence This study is a useful resource for both students and specialists of central and northern Europe in the early medieval period

ECCWS 2019 18th European Conference on Cyber Warfare and Security Tiago Cruz ,Paulo Simoes,2019-07-04 *Historical Dictionary of Lesotho* John Aerni-Flessner,Charles Fogelman,Nthabiseng Mokoena-Mokhali,2023-11-30 Lesotho s history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region Since the end of apartheid in 1994 Lesotho s status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the state in the eyes of its citizens if it cannot enact significant reforms in the coming decades *Historical Dictionary of Lesotho Third Edition* contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Lesotho **"Code of Massachusetts regulations, 2016"** ,2016 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020

Nature-Based Solutions for Flood Mitigation Carla S. S. Ferreira,Zahra Kalantari,Thomas Hartmann,Paulo Pereira,2022-05-30 This book provides an overview of the typical nature based solutions NBS used for flood mitigation at different scales and in different areas e g from catchment to hillslope scale from urban to coastal areas NBS can provide several ecosystem services such as water regulation and water quality enhancement and as such offer relevant technical solutions to complement typical grey infrastructures to mitigate flood hazard and water quality problems In recent years political awareness and interest from the scientific community have led to increasing implementation of NBS worldwide In light of this trend this book provides valuable insights into the environmental aspects of NBS particularly their effectiveness for flood and pollution mitigation and discusses socio economic aspects related to the implementation of NBS including regulatory aspects cost and citizens perceptions of NBS Compiling the latest research the book furthers our understanding of the role of NBS for flood mitigation and its relation to environmental aspects to guide scientists and stakeholders in future

NBS projects It is intended for the scientific community and stakeholders such as spatial planners and landscape managers Chapter Nature based solutions for flood mitigation and resilience in urban areas is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) *The Justice Laboratory* Kerstin Bree Carlson, 2023-03-14 Examining how international criminal law has and hasn't brought justice following war crimes in Africa Ever since World War II the United Nations and other international actors have created laws treaties and institutions to punish perpetrators of genocide war crimes and crimes against humanity These efforts have established universally recognized norms and have resulted in several high profile convictions in egregious cases But international criminal justice now seems to be a declining force its energy sapped by long delays in prosecutions lagging public attention and a globally rising authoritarianism that disregards legal niceties This book reviews five examples of international criminal justice as they have been applied across Africa where brutal civil conflicts in recent decades resulted in varying degrees of global attention and action The first three chapters examine key international mechanisms the International Criminal Court the International Criminal Tribunal for Rwanda and the hybrid tribunal established in Senegal to try state crimes committed in Chad These chapters illustrate how the design and practice of the institutions led to similarly unexpected and unsatisfying outcomes The final two chapters examine emerging and proposed international criminal justice mechanisms One is a tribunal intended to facilitate peace in the new but war torn country of South Sudan not yet operational and unlikely to perform better than its predecessors Finally the book considers the developing human rights practice of the little studied East African Court a regional commercial court in Arusha Tanzania to show how local judicial creativity can win a role for courts in facilitating good governance Written in an accessible style this book explores the connections between politics and the doctrine of international criminal law Highlighting little known institutional examples and under discussed political situations the book contributes to a broader international understanding of African politics and international criminal justice as well as the lessons the African experiences offer for other regions **Prostitution, Race, and Politics** Philippa Levine, 2003 Publisher description **Physical Control, Transformation and Damage in the First World War** Simon Harold Walker, 2020-11-12 From enlistment in 1914 to the end of service in 1918 British men's bodies were constructed conditioned and controlled in the pursuit of allied victory *Physical Control Transformation and Damage in the First World War* considers the physical and psychological impact of conflict on individuals and asks the question of who in the heart of war really had control of the soldier's body As men learned to fight they became fitter healthier and physically more agile yet much of this was quickly undone once they entered the fray and became wounded died or harmed their own bodies to escape Employing a wealth of sources including personal testimonies official records and oral accounts Simon Harold Walker sheds much needed light on soldiers own experiences of World War I as they were forced into martial moulds and then abandoned in the aftermath of combat In this book Walker expertly synthesizes military sociological and medical history to provide a unique

top down history of individual soldiers experiences during the Great War giving a voice to the thousands of missing mutilated and muted men who fought for their country The result is a fascinating exploration of body cultures power and the British army

Handbook of Military Psychology Stephen V. Bowles, Paul T. Bartone, 2017-12-05 This expert compendium surveys the current state of military psychology across the branches of service at the clinical research consulting and organizational levels Its practical focus examines psychological adjustment pre and post deployment commonly encountered conditions e g substance abuse and the promotion of well being sleep mindfulness and resilience training Coverage pays particular attention to uses of psychology in selection and assessment of service personnel in specialized positions and training concerns for clinicians and students choosing to work with the military community Chapters also address topics of particular salience to a socially conscious military including PTSD sexual harassment and assault women s and LGBT issues suicide prevention and professional ethics Among the specific chapters topics covered Military deployment psychology psychologists in the forward environment Stress and resilience in married military couples Assessment and selection of high risk operational personnel processes procedures and underlying theoretical constructs Understanding and addressing sexual harassment and sexual assault in the US military Virtual reality applications for the assessment and treatment of PTSD Plus international perspectives on military psychology from China Australia India and more Grounding its readers in up to date research and practice Military Psychology will assist health psychologists clinical psychologists psychiatrists and clinical social workers in understanding and providing treatment for military populations veterans and their families as well as military psychologists in leadership and consulting positions

The Sociolinguistics of South African Television Kealeboga Aiseng, 2024-04-03 This book explores the interwoven relationship between language media and society in post Apartheid South Africa The author examines selected case studies from the sociolinguistic landscape of South African television analysing dominant language ideologies and illuminating the challenges opportunities and potential for transformation He argues for the power of television in shaping language ideologies fostering cultural understanding and advocating for more inclusive and equitable language usage in the media This book contributes to the field of sociolinguistics by emphasizing the complexity of multilingualism in South Africa and inviting ongoing exploration and dialogue in this landscape It will be of interest to students and scholars of Sociolinguistics Media Studies African Culture and History and Language Policy and Planning

Sa Army2016 Ref No Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Sa Army2016 Ref No**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
