Assault on the Remnant Ted Schultz, 2016-06-17 It is an interesting fact of history that as the Reformation progressed the Reformers adopted the Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced authority Herald and Presbyter, 1908 **James K. Humphrey and the Sabbath-Day Adventists** R. Clifford Jones, 2009-09-18 In James K Humphrey and the Sabbath Day Adventists R Clifford Jones tells the story of this important black religious figure and his attempt to bring about self determination for twentieth century blacks in New York City Humphrey was a Baptist minister who joined the Seventh day Adventist SDA Church shortly after arriving in New York City from Jamaica at the turn of the twentieth century A leader of uncommon competency and charisma Humphrey functioned as an SDA minister in Harlem during the time the community became the black capital of the United States Though he led his congregation to a position of prominence within the SDA denomination Humphrey came to believe the black experience in Adventism was one of disenfranchisement When he refused to alter his plans for a utopian community for blacks in the face of dissent from SDA church leaders Humphrey s ministerial credentials were revoked and his congregation was dissolved Subsequently Humphrey established an independent black religious organization the United Sabbath Day Adventists This book rescues the Sabbath Day Adventists from obscurity Humphrey s break with the Seventh day Adventists provides clues to the state of black white relationships in the denomination at the time It set the stage for the creation of the separate administrative structure for blacks established by the SDA church in 1945 This history of a minister and his church demonstrates the struggles of small independent black congregations in the urban community during the twentieth century

Bruinsma,2021-01-12 Spes Christiana is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars *The Elephant in the Room* Sadrail Saint-Ulysse PhD MDiv,2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner **Oakwood Magazine** George Johnson, Jr.,Debbe Millet, Oakwood Magazine a quarterly publication contains news and information about Oakwood University This publication produced by the Office of Integrated Marketing and Public Relations is for alumni and friends of Oakwood University To find out more about Oakwood Magazine please call 256 726 7000 Wallace's Farm and Dairy ,1926 **Catalog of Copyright Entries** Library of Congress. Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord The Christian Advocate ,1903 **The Road to Clarity** E. Keller, 2005-11-18 In recent years millions of people have joined churches such as the Seventh day Adventist which prosper enormously in different parts of the world The Road to Clarity is one of the first ethnographic in depth studies of this phenomenon It is a vivid account based on almost two years of participation in ordinary church members daily religious and non religious lives The book offers a fascinating inquiry into the nature of long term commitment to Adventism among rural people in Madagascar Eva Keller argues that the key attraction of the church lies in the excitement of study argument and intellectual exploration This is a novel approach which challenges utilitarian and cultural particularist explanations of the success of this kind of Christianity **The Sunday School Journal** ,1888
