

This manual contains operating and safety instructions for all versions of model STIHL FS 66 brushcutters.

Pay special attention to the safety precautions outlined on pages 6 to 15. Allow only persons who understand this manual to operate your brushcutter.

STIHL's philosophy is to continually improve all of its products. As a result, engineering changes and improvements are made from time-to-time. If the operating characteristics or the appearance of your brushcutter differs from those described in this manual, please contact your STIHL dealer for information and assistance.
