Grant,Kelly Johnson**

Ozymandias Lesson Plan Common Core:

Common Core Curriculum: English, Grades 9-12 Great Minds, 2014-04-16 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades 9-12. Each grade in *The Wheatley Portfolio* features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include: Six thematic units for each grade, each centered on a curated collection of literary and informational texts; Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills; Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's *Wheatley Portfolio* guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

Common Core Curriculum Maps in English Language Arts, Grades 9-12 Great Minds, 2011-10-13 The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards CCSS. The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive coherent sequence of thematic units for teaching the skills outlined in the CCSS for English Language Arts in Grades 9-12. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, and more. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

Making Language Matter Deborah J. Vause, Julie S. Amberg, 2013 Now adopted by over 40 states, the Common Core State Standards provide a clear and consistent framework for public school systems as they develop student learning goals that define the path to readiness for college, careers, and informed citizenship. While each state is developing its own procedures for adoption of the Standards, individual teachers will continue to hold the ultimate responsibility for devising lesson plans and tailoring instruction to meet these benchmarks. *Making Language Matter* will help prospective and practicing teachers develop lessons to meet the benchmarks enumerated in the Standards for the English Language Arts categories: language, speaking and listening, writing, and reading. A timely text for literacy education courses, it explores language topics within these categories and suggests pedagogical approaches and activities for use in 9-12 language arts classrooms. Using a linguistics approach to unify the study of all the language arts, it engages readers in learning how to help

students make purposeful language choices essential for both academic and workplace success A Close Look at Close Reading Barbara Moss,Diane Lapp,Maria Grant,Kelly Johnson,2015-05-21 The Common Core State Standards have put close reading in the spotlight as never before While middle and high school teachers want and need students to connect with analyze and learn from both literary and informational texts many are unsure how to foster the skills students must have in order to develop deep and nuanced understanding of complicated content Is there a process to follow How is close reading different from shared reading and other common literacy practices How do you prepare students to have their ability to analyze complex texts measured by high stakes assessments And how do you fit close reading instruction and experiences into an already crowded curriculum Literacy experts Barbara Moss Diane Lapp Maria Grant and Kelly Johnson answer these questions and more as they explain how to teach middle and high school students to be close readers how to make close reading a habit of practice across the content areas and why doing so will build content knowledge Informed by the authors extensive field experience and enriched by dozens of real life scenarios and downloadable tools and templates this book explores Text complexity and how to determine if a particular text is right for your learning purposes and your students The process and purpose of close reading with an emphasis on its role in developing the 21st century thinking speaking and writing skills essential for academic communication and college and career readiness How to plan teach and manage close reading sessions across the academic disciplines including the kinds of questions to ask texts to use and supports to provide How to assess close reading and help all students regardless of linguistic cultural or academic background connect deeply with what they read and derive meaning from complex texts Equipping students with the tools and process of close reading sets them on the road to becoming analytical and critical thinkers and empowered and independent learners In this comprehensive resource you ll find everything you need to start their journey Contemporary Women's Ghost Stories Gina Wisker,2022-06-02 This book offers new insights on socially and culturally engaged Gothic ghost stories by twentieth century and contemporary female writers including Shirley Jackson Angela Carter Toni Morrison Ali Smith Susan Hill Catherine Lim Kate Mosse Daphne du Maurier Helen Dunmore Michele Roberts and Zheng Cho Through the ghostly body possessions and visitations women s ghost stories expose links between the political and personal genocides and domestic tyrannies providing unceasing reminders of violence and violations Women like ghosts have historically lurked in the background incarcerated in domestic spaces and roles by familial and hereditary norms They have been disenfranchised legally and politically sold on dreams of romance and domesticity Like unquiet spirits that cannot be silenced women s ghost stories speak the unspeakable revealing these contradictions and oppressions Wisker s book demonstrates that in terms of women s ghost stories there is much to point the spectral finger at and much to speak out about **Lesson Plans for Teaching About the American Revolution** LessonCaps,2012-09-14 Following Common Core Standards this lesson plan for teaching about the American Revoltuion is the perfect solution for teachers trying to get ideas for getting students excited about a book BookCaps lesson
