(Last Revised 23 Apr 2017)

Policy

FedEx Express offers Express employees and eligible retirees reduced rates for personal shipping for some FedEx Express services through the FedEx Express system on a space-available basis subject to the provisions of this policy. Employees and eligible retirees of FedEx Express are also offered discounts with FedEx Office and FedEx Ground.

Please note that discounts with FedEx companies are privileges and are provided at the sole discretion of the operating companies and are thus subject to changes and restrictions from time to time. For example, FedEx Express may decline discounted employee shipments during its peak season.

Scope

All permanent full-time and part-time FedEx Express employees, including employees covered by a collective bargaining agreement, their spouses* and dependents and eligible retirees are eligible for employee discounts with FedEx Express. All permanent employees and eligible retirees of FedEx Express are also eligible for reduced-rate shipping with FedEx Ground and discounts with FedEx Office.

*The definition of spouse includes: legally married spouse; same-sex spouse and common law spouse recognized as valid under the laws of the state in which the spousal relationship was established; registered domestic partners, domestic partners and civil union partners; and, spouse/partner enrolled in, or eligible to be enrolled in the FedEx health plan whether actually enrolled or not. Registered domestic partners are defined as partners who are registered with any governmental body (state or local) authorized to perform such registrations.

The definition of spouse as stated in this policy does not apply to benefit plans and programs subject to federal law.

Dependent children are defined as 25 years of age and younger.

Guidelines

Employee Eligibility

This policy intends to offer discount shipping through the FedEx Express system to eligible permanent full and part-time FedEx Express employees and members of their immediate families (spouse or dependent children) as an employee benefit. Discounts are also provided for eligible employees on FedEx Ground services and goods and services provided by FedEx Office.

Note: It is the employee's responsibility to ensure that immediate family members (spouse and dependent children) are aware of the reduced-rate shipping guidelines and regulations.

REFER TO: [Abuse Guidelines](#).

Note: Employees on a leave of absence are eligible for the employee reduced-rate shipping discount. Employees on a suspension are not eligible for the employee reduced-rate shipping discount.

Employee use of non-revenue accounts for personal shipments is prohibited and results in discipline as stated in [2-5 Acceptable Conduct](#). For more information about COMAIL/non-revenue shipments, please refer to COMAIL and non-revenue business shipping in the online Policies and Procedures manuals (i.e., *GO Express* and *USIntl. Freight Services: P&P*).

Retiree Eligibility and Shipping Requirements

- Must have voluntarily resigned at age 55 or after
- Have at least 5 years of permanent continuous service
- Have a rehire status of "yes" or "conditional"

To be eligible for reduced-rate shipping privileges with FedEx Express, FedEx Ground and discount with FedEx Office, retirees must also have a FedEx Express Retiree ID badge and obtain and use a Retiree Account Number for all reduced-rate shipping. Spouses and dependent children of eligible retirees also qualify for reduced-rate shipping with FedEx Express.

plotting the next move a small business owner looking to expand or an entrepreneur planning a startup Web 2.0 A Strategy Guide illustrates through real life examples how businesses large and small are creating new opportunities on today's Web. This book is about strategy. Rather than focus on the technology, the examples concentrate on its effect. You will learn that creating a Web 2.0 business or integrating Web 2.0 strategies with your existing business means creating places online where people like to come together to share what they think, see, and do. When people come together over the Web, the result can be much more than the sum of the parts. The customers themselves help build the site as old-fashioned word of mouth becomes hypergrowth. Web 2.0 A Strategy Guide demonstrates the power of this new paradigm by examining how Flickr, a classic user-driven business, created value for itself by helping users create their own value. Google made money with a model based on free search and changed the rules for doing business on the Web, opening opportunities you can take advantage of. Social network effects can support a business, ever wonder how Facebook grew so quickly. Businesses like Amazon tap into the Web as a source of indirect revenue using creative new approaches to monetize the investments they've made in the Web. Written by Amy Shuen, an authority on Silicon Valley business models and innovation economics, Web 2.0 A Strategy Guide explains how to transform your business by looking at specific practices for integrating Web 2.0 with what you do. If you're executing business strategy and want to know how the Web is changing business, this book is for you.
