California Waves (The Davenports, Book 2) Bella Andre, Nicky Arden, 2024-05-30 A beautiful series The writing story and characters are all amazing I cannot wait to watch the other Davenports fall in love 5 stars When Herschel Greenfield achieved his dream of becoming an astronaut and going on space missions he thought he knew the risks but he never expected his splashdown would go wrong and he'd nearly drown He tells everyone he's fine but if that's true then why can't he get into the ocean Somehow some way he needs to conquer his fear so that he can continue going into space When pro surfer Mila Davenport suffered a career ending accident that almost cost her life she had to adjust to an entirely new life where she spent more time on land than in the sea While she loves her new career as a realtor nothing makes her feel more alive than riding the waves Certainly no man has ever come close to giving her that same rush that the ocean does But after meeting Herschel when she learns about his emotional fallout from his crash landing she wants nothing more than to help him learn to love the sea as much as she does despite his harrowing experience The only problem is that she also thinks he's incredibly sexy and can't help but want him More than she's ever wanted anyone And when it seems like he feels the same way about her that's when things suddenly feel truly dangerous Far more dangerous than any surfing accident or crash landing Because this time around Mila isn't just risking her body she's risking her heart But is Hersch willing to risk his heart too Or once he gets over his issues with the sea will he be on the next spaceship out of town and she'll be left with nothing but the memories of being with the most incredible man she's ever known THE DAVENPORTS Series California Dreaming California Waves California Sunsets California Love Songs More Davenports are coming soon CALIFORNIA WAVES is part of New York Times and USA Today bestselling authors Bella Andre and Nicky Arden's new emotional and sexy contemporary romance series While it can easily be read as a stand alone story you'll likely enjoy reading the other books too ABOUT THE AUTHORS Bella Andre is the New York Times USA Today Publishers Weekly and Wall Street Journal bestselling author of *The Sullivans* *The Maverick Billionaires* *The Davenports* and the *Married in Malibu* series Her novels have been 1 bestsellers around the world and she has sold more than 10 million books so far Known for sensual empowered stories enveloped in heady romance Publishers Weekly her books have been *Cosmopolitan Magazine* *Red Hot Reads* twice and have been translated into ten languages There are more than 100 000 5 star reviews for Bella Andre's books on Goodreads *Married with two children* Bella splits her time between the Northern California wine country a log cabin in the Adirondack mountains of upstate New York and a flat in London overlooking the Thames Nicky Arden was born and grew up in the beautiful Pacific Northwest and later
