Women s Day and Women s History Month 2023 we will collectively embrace equity in the microbiology community There is
continued gender disparity within core STEM subjects According to UNESCO Institute for Statistics just 33% of the world s
researchers are women While the number of women attending university is growing they still represent the minority of
doctoral students and researchers Women remain under represented in the highest level of academia holding just 26% of full
professorships This is even more skewed in industry with just 3% of STEM industry CEOs being women As highlighted by
