Persepolis 2 Marjane Satrapi:

Persepolis 2 Marjane Satrapi, 2004-08-31 The fascinating continuation of the best selling *Persepolis* one of the freshest and most original memoirs of our day Los Angeles Times Marjane Satrapi dazzles with her heartrending graphic memoir about growing up in Iran during the Islamic Revolution In 1984 Marjane flees fundamentalism and the war with Iraq to begin a new life in Vienna Once there she faces the trials of adolescence far from her friends and family and while she soon carves out a place for herself among a group of fellow outsiders she continues to struggle for a sense of belonging Finding that she misses her home more than she can stand Marjane returns to Iran after graduation Her difficult homecoming forces her to confront the changes both she and her country have undergone in her absence and her shame at what she perceives as her failure in Austria Marjane allows her past to weigh heavily on her until she finds some like minded friends falls in love and begins studying art at a university However the repression and state sanctioned chauvinism eventually lead her to question whether she can have a future in Iran As funny and poignant as its predecessor *Persepolis 2* is another clear eyed and searing condemnation of the human cost of fundamentalism In its depiction of the struggles of growing up here compounded by Marjane's status as an outsider both abroad and at home it is raw honest and incredibly illuminating

Iranian and Diasporic Literature in the 21st Century Daniel Grassian, 2013-02-18 The most populous Islamic country in the Middle East Iran is rife with contradictions in many ways caught between the culture and governments of the Western more dominant and arguably imperialist world and the ideology of conservative fundamentalist Islam This book explores the present day writings of authors who explore these oppositional forces often finding a middle course between the often brutal and demonizing rhetoric from both sides To combat how the

West has falsely generalized and stereotyped Iran and how Iran has falsely generalized and stereotyped the West Iranian and diasporic writers deconstruct Western caricatures of Iran and Iranian caricatures of the West In so doing they provide especially valuable insights into life in Iran today and into life in the West for diasporic Iranians **Persepolis** Marjane Satrapi, 2004-06-01 BEST SELLER A NEW YORK TIMES NOTABLE BOOK Wise funny and heartbreaking Persepolis is Marjane Satrapi s acclaimed graphic memoir of growing up in Iran during the Islamic Revolution A wholly original achievement Satrapi evokes herself and her schoolmates coming of age in a world of protests and disappearances A stark shocking impact The New York Times The 50 Best Memoirs of the Past 50 Years In powerful black and white comic strip images Satrapi tells the coming of age story of her life in Tehran from ages six to fourteen years that saw the overthrow of the Shah s regime the triumph of the Islamic Revolution and the devastating effects of war with Iraq The intelligent and outspoken only child of committed Marxists and the great granddaughter of one of Iran s last emperors Marjane bears witness to a childhood uniquely entwined with the history of her country Persepolis paints an unforgettable portrait of daily life in Iran and of the bewildering contradictions between home life and public life Marjane s child s eye view of dethroned emperors state sanctioned whippings and heroes of the revolution allows us to learn as she does the history of this fascinating country and of her own extraordinary family Intensely personal profoundly political and wholly original Persepolis is at once a story of growing up and a reminder of the human cost of war and political repression It shows how we carry on with laughter and tears in the face of absurdity And finally it introduces us to an irresistible little girl with whom we cannot help but fall in love **Witnessing Girlhood** Leigh Gilmore, Elizabeth Marshall, 2019-09-17 When more than 150 women testified in 2018 to the sexual abuse inflicted on them by Dr Larry Nassar when they were young competitive gymnasts they exposed and transformed the conditions that shielded their violation including the testimonial disadvantages that cluster at the site of gender youth and race In Witnessing Girlhood Leigh Gilmore and Elizabeth Marshall argue that they also joined a long tradition of autobiographical writing led by women of color in which adults use the figure and narrative of child witness to expose harm and seek justice Witnessing Girlhood charts a history of how women use life narrative to transform conditions of suffering silencing and injustice into accounts that enjoin ethical response Drawing on a deep and diverse archive of self representational forms slave narratives testimonio memoir comics and picture books Gilmore and Marshall attend to how authors return to a narrative of traumatized and silenced girlhood and the figure of the child witness in order to offer public testimony Emerging within these accounts are key scenes and figures that link a range of texts and forms from the mid nineteenth century to the contemporary period Gilmore and Marshall offer a genealogy of the reverberations across timelines self representational acts and jurisdictions of the child witness in life writing Reconstructing these historical and theoretical trajectories restores an intersectional testimonial history of writing by women of color about sexual and racist violence to the center of life writing and in so doing furthers our capacity to engage ethically with representations of vulnerability childhood
