Cold Case Research Resources for Unidentified, Missing, and Cold Homicide Cases Silvia Pettem, 2012-07-27 Cases in which all investigative leads appear to be exhausted are frustrating for both investigators and victims families Cold cases can range from those only a few months old to others that go back for decades Presenting profiles and actual case histories Cold Case Research Resources for Unidentified Missing and Cold Homicide Cases illustrate The Myostatin Project G Robert Tait, 2014-08-22 **Detroit**, 1914 **The Detroit**, 1914 Police in America Steven G. Brandl, 2023-09-13 Grounded in evidence based research *Police in America* Third Edition provides a comprehensive and realistic introduction to modern day policing in the United States Written in a conversational tone and designed to be reader friendly this text helps students grasp best practices in everyday policing and encourages them to think critically about common misconceptions of police work Author Steven G Brandl draws from his experience with law enforcement to emphasize the positive aspects of policing while addressing its controversies and tackling topics centered on one pivotal question What is good policing Discussions of discretion police use of force and tough ethical and moral dilemmas offer students a deeper look into the complex issues of policing prompting them to think more broadly about its impact on society **The Art of Insubordination** Todd B. Kashdan, 2022-02-15 A highly practical and researched based toolbox for anyone who wants to create a world with more justice creativity and courage For too long the term insubordination has evoked negative feelings and mental images But for ideas to evolve and societies to progress it's vital to cultivate rebels who are committed to challenging conventional wisdom and improving on it Change never comes easily And most would be rebels lack the skills to overcome hostile audiences who cling desperately to the way things are Based on cutting edge research *The Art of Insubordination* is the essential guide for anyone seeking to be heard make change and rebel against an unhealthy status quo Learn how to Resist the allure of complacency Discover the value of being around people who stop conforming and start deviating Produce messages that influence the majority when in the minority Build mighty alliances Manage the discomfort when trying to rebel Champion ideas that run counter to traditional thinking Unlock the benefits of being in a group of diverse people holding divergent views Cultivate curiosity courage and independent critical thinking in youth Filled with engaging stories about dissenters in the trenches as well as science that will transform your thinking *The Art of Insubordination* is for anyone who seeks more justice courage and creativity in the world Today's Crime and Punishment Issues Angela D. Madden, 2024-12-26 This balanced book illuminates Republican and Democratic responses and attitudes toward crime police work sentencing incarceration and rehabilitation in the USA A broad array of law enforcement and criminal justice issues are examined including mass incarceration sentencing disparities anti drug efforts marijuana legalization death penalty mandatory minimums civil asset forfeiture prison privatization rape and other crimes in prison settings women in prison support for therapeutic educational programs sentencing for juvenile offenders harsher penalties for hate crimes and voting rights for ex

felons The focus is on specific and timely topics in criminal justice that are most susceptible to legislative policies Readers will benefit by developing an appreciation for how politics impacts the criminal justice system and how the parties have developed laws that impact their lives dictate acceptable behavior and legislate appropriate responses for violators The emphasis of the series is contemporary but it includes historical perspective to provide a sense of how each party's positions and actions have evolved over time

Fester Hadar Aviram, Chad Goerzen, 2024-03-05 The COVID 19 disaster in California's prisons stands out as the worst medical prison catastrophe in the state's history Three quarters of the state's prison population was infected 264 incarcerated people and 50 staff members died In Fester authors Hadar Aviram and Chad Goerzen expose the COVID 19 correctional experience through hundreds of first person accounts months of courtroom observations years of carefully collected quantitative COVID 19 data and a wealth of policy documents Already vulnerable from decades of overcrowding and abysmal healthcare California's prison population bore the brunt of the COVID 19 horror Fester bears witness to the immense suffering we bring on ourselves and our fellow humans through dehumanization fear and ignorance and stands as a monument for a brave coalition of incarcerated and formerly incarcerated people family members and loved ones advocates and activists doctors and journalists who worked to shed light on one of the darkest times in the Golden State's correctional system

Human Factors in Effective Counter-Terrorism Richard Warnes, 2024-02-29 This book seeks to provide a comparative assessment of the significance of human factors in effective counter terrorism The phrase human factors is used to describe personal relationships individual capabilities effective leadership technical interface organisational culture and the community engagement necessary to effectively minimise counter and control the threat of terrorism Unlike many works in the field this book is constructed around the input of experienced knowledge from over 170 semi structured interviews of specialist military policing intelligence and security practitioners those actors actually involved in countering terrorism These practitioners come from seven countries the United Kingdom Ireland France Spain Israel Turkey and the United States all of which have suffered over the years from different types of terrorist threat and responded with a mixture of counter terrorist measures Where military practitioners also discussed overseas counter insurgency measures that material has been included since terrorism forms a key aspect of such wider insurgencies The resulting interview data was analysed through a variant of Grounded Theory to

identify key emerging themes and issues both positive and negative relevant to human factors in the individual countries and more generically This book incorporates the informed operational experiences and insights of the interviewees while seeking to provide examples of successful counter terrorist measures at the strategic operational and tactical levels This book will be of much interest to students of counter terrorism defence studies and security studies in general **National Library of**
