Political Whores English Edition:

The Protestant Whore Alison Conway, 2010-03-20 After the restoration of the English monarchy in 1660 Protestants worried that King Charles II might favour religious freedom for Roman Catholics and many suspected that the king was unduly influenced by his Catholic mistresses Nell Gwyn actress and royal mistress stood apart by virtue of her Protestant loyalty In 1681 Gwyn her carriage surrounded by an angry anti Catholic mob famously declared I am the protestant whore Her self branding invites an investigation into the alignment between sex and politics during this period and in this study Alison Conway relates courtesan narrative to cultural and religious anxieties In new readings of canonical works by Aphra Behn Daniel Defoe Henry Fielding and Samuel Richardson Conway argues that authors engaged the same questions about identity nation authority literature and politics as those pursued by Restoration polemicists Her study reveals the recurring connection between sexual impropriety and religious heterodoxy in Restoration thought and Nell Gwyn writ large as the nation s Protestant Whore is shown to be a significant figure of sexual political and religious controversy [A Midsummer Night's Dream](#) Regina Buccola, 2009-12-08 A Midsummer Night s Dream is one of Shakespeare s most widely studied comedies This guide offers students an introduction to its critical and performance history including notable stage productions TV and film versions as well as opera and ballet It includes a keynote chapter outlining major areas of current research on the play and four new critical essays Finally a guide to critical web based and production related resources and an annotated bibliography provide a basis for further individual research [Into the Heart of the Whore](#) Jacques Pauw, 2017-12-14 The ongoing assassinations of anti apartheid activists led to rumours that some kind of third force must be responsible The South African government flatly denied any involvement All investigations of the matter were met with stony silence The first crack in the wall came with the publication by the Vrye Weekblad newspaper of the extraordinary story of Dirk Coetzee former Security Branch Captain His tale of murder kidnapping bombing and poisoning provided corroboration of the shocking confessions made by Almond Nofemela on death row Slowly the dark secret started unravelling under the probing of determined journalists In the Heart of the Whore introduces the reader to the secret underworld of the death squads It explains when and why they were created who ran them what methods they employed who the victims and perpetrators were Jacques Pauw was more closely involved with the subject than any other person outside the police and armed forces In this groundbreaking work he looks at the devastating effect of the secret war on the opponents of apartheid as well as the corrosive effects on the people who committed these crimes [Marian Moments in Early Modern British Drama](#) Lisa Hopkins, 2016-05-06 Concerning itself with the complex interplay between iconoclasm against images of the Virgin Mary in post Reformation England and stage representations that evoke various Marian moments from the medieval Catholic past this collection answers the call for further investigation of the complex relationship between the fraught religio political culture of the early modern period and the theater that it spawned Joining historians in rejecting the received belief

that Catholicism could be turned on and off like a water spigot in response to sixteenth century religious reform the early modern British theater scholars in this collection turn their attention to the vestiges of Catholic tradition and culture that leak out in stage imagery plot devices and characterization in ways that are not always clearly engaged in the business of Protestant panegyric or polemic Among the questions they address are What is the cultural function of dramatic Marian moments Are Marian moments nostalgic for or critical of the Old Faith How do Marian moments negotiate the cultural trauma of iconoclasm and or the Reformation in early modern England Did these stage pictures of Mary provide subversive touchstones for the Old Faith of particular import to crypto Catholic or recusant members of the audience Tis Pity She's a Whore John Ford,2014-05-29 Like Shakespeare's Juliet Annabella accompanied by her down to earth nurse is introduced to a series of suitors to her hand Like Juliet she finds all of them unsatisfactory and rightly so for the audience know that the nastiest of them is having an affair with her domineering aunt Like Juliet Annabella is wooed by a sensitive and passionate young man whose love she returns but this young man happens to be her own brother Giovanni When they consummate their love and she to avoid the scandal of extramarital pregnancy agrees to marry her aunt's lover the tragic outcome is inevitable John Ford writing his psychologically powerful and intellectually challenging tragedies in the early years of King Charles I's reign is a playwright of the first rank as 20th century directors have shown both in the theatre and on film Tis Pity She's a Whore Lisa Hopkins,2015-04-10 John Ford's tragedy Tis Pity She's a Whore was first performed between 1629 and 1633 and since then its themes of incest love versus duty and forbidden passion have made it a widely studied and performed if controversial play This guide offers students an introduction to its critical and performance history including TV and film adaptations It includes a keynote chapter outlining major areas of current research on the play and four new critical essays Finally a guide to critical web based and production related resources and an annotated bibliography provide a basis for further individual research **Shakespeare's 'Whores'** K. Stanton,2015-12-04 Shakespeare's Whores studies each use of the word whore in Shakespeare's canon focusing especially on the positive personal and social effects of female sexuality as represented in several major female characters from the goddess Venus to the queen Cleopatra to the cross dressing Rosalind and many others **Whore Biographies, 1700-1825, Part I Vol 1** Julie Peakman,2024-12-11 Focuses on autobiographies and biographies of courtesans directories of whores erotic poems dedicated to harlots jocular descriptions of prostitutes and jest books on strumpets These provide sources for the study of sexuality gender women's studies and the literature and history of the eighteenth century **The Whore's Story** Bradford Keyes Mudge,2000 Bradford Mudge's book looks at the origins of literary pornography in English presenting a comprehensive overview of the complex issues surrounding pornography in the eighteenth century as it appears in fiction poetry criticism medical manuals and illustrations Mudge frames these battles in the context of contemporary feminine argument while closely reading the moment in which the lines of battle were first drawn *Small Corners in a Big City* Yoshimasa Ogawa,2014-04 Each story in this collection

Ireland & the English Crisis Tom Paulin, 1984 In these brilliantly argued essays on Irish and English literature Tom Paulin shows how writers react to political struggles and cultural upheaval from Joyce in colonial Ireland and Auden in England in the Thirties to today's Belfast poet or Derry dramatist The keynote of this controversial book is the phrase writing to the moment And like Samuel Richardson whose motto this was Tom Paulin is writing in the instant about the present and for the current age Tom Paulin tackles the present crisis in English studies in a now notorious discussion of structuralism in education This exemplary incisive essay confronts critical fashions like deconstruction and exposes their destructive limitations The book includes Paulin's famous polemic against Conor Cruise O'Brien as well as his careful rigorous account of Ian Paisley's writings and pronouncements In these and in other essays he establishes a historical and cultural perspective exploring first the Englishness of D H Lawrence John le Carr and the expatriate Henry James then the Anglo Irishness of Oscar Wilde William Trevor and Louis MacNeice These forceful essays will contribute to a tradition of critical independence They will combat what Tom Paulin calls the terminal self disgust with which much contemporary literary criticism is now afflicted
