Award up to 2 marks for identification of relevant points. Award up to 2 marks for relevant development of points. Award 2 marks for a justified decision as to whether being a risk-taker is a more important characteristic of a successful entrepreneur than being creative. Points might include: Risk-taker: - A successful entrepreneur must take risks otherwise there is no business [x] - Entrepreneurs take the risk of investing their own money [x] this may bring high rewards [an] however they may fail and lose their personal possessions [an] - Taking risks is a way to learn [x] if an idea is good or not [an] Creative: - New ideas [x] leading to increased sales/revenue [an] - Creativity adds value [x] so higher prices can be charged [an] - Creativity alone does not guarantee success [x] if customers do not purchase [an] Other appropriate responses should also be credited. Justification might include: Entrepreneurs take the risk of investing their own money [x] this may bring high rewards [an]. Being creative may be a more important characteristic as making a business different to its competitors [x] can lead to increased sales [an]. In a competitive market creativity is especially important because it helps the business stand out from competitors. [eval] An entrepreneur can take risks, but if customers will not buy, they will not be successful. [eval]	6	This is a general question so there are no marks for application. For evaluation to be awarded justification will usually follow on from relevant analysis of points.
