Disability and Digital Television Cultures Katie Ellis, 2019-01-18 *Disability and Digital Television Cultures* offers an important addition to scholarly studies at the intersection of disability and media examining disability in the context of digital television access representation and reception Television as a central medium of communication has marginalized people with disability through both representation on screen and the lack of accessibility to this medium With accessibility options becoming available as television is switched to digital transmissions audience research into television representations must include a corresponding consideration of access This book provides a comprehensive and critical study of the way people with disability access and watch digital TV International case studies and media reports are complimented by findings of a user focused study into accessibility and representation captured during the Australian digital television switchover in 2013 2014 This book will provide a reliable independent guide to fundamental shifts in media access while also offering insight from the disability community It will be essential reading for researchers working on disability and media as well as television communications and culture upper level undergraduate and postgraduate students in cultural studies along with general readers with an interest in disability and digital culture *South Africa's Post-Apartheid Military* Lindy

Heineken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world *Florida Made* George S. LeMieux, Laura E.

Mize, 2018-04-09 Once considered just an insect ridden swampland Florida is now a top destination for tourism business agriculture and innovation thanks to these 25 individuals Florida is in many ways both the oldest and newest of the megastates The ideas and actions of a colorful cast of characters from beloved cultural icons to political heroes and even a socialist dictator transformed the peninsula A Barbados native rescued Florida's orange industry after the catastrophic 1835 freeze Known as the Grande Dame of the Everglades Marjory Stoneman Douglas worked tirelessly to save the state's vast

incomparable wetlands from annihilation in the early twentieth century In the mid 1800s a Florida doctor developed a precursor to modern air conditioning Join former U S senator George LeMieux and journalist Laura Mize as they profile and rank according to impact the 25 trailblazers who have changed the Sunshine State forever **Identity, Motivation and**

Memory Sarah Kayss,2018-09-03 This book explores the connection between British and German officer cadets perceptions of the past and their motivations for enlisting in the military forces in the United Kingdom and Germany Drawing upon qualitative interviews and survey data conducted at officers academies in the UK and Germany the author offers a comparative analysis using differing approaches towards history and memory in Britain and Germany while considering the roles of individual goals and societal orientations in the decision to enlist Employing the notion of pragmatic professionalism which reflects the fact that occupational and institutional reasons for enlisting are not opposite points on a single scale Professionalism Memory and Identity examines history orientated reasons for enlistment by shedding light on officer cadets values beliefs and wider cultural understandings of the past With attention to differences in motivation as a result of differing national backgrounds and former military training as well as the extent to which these divergences contribute to the emergence of different types of soldiers in the two countries this comparative international study will appeal to scholars of sociology politics and war studies with interests in the military profession and the role of history in contemporary Britain and Germany *Israeli National Security* Charles D. Freilich,2018-03-08 The most comprehensive study to date of Israel s

national security It combines an exhaustive analysis of the military diplomatic demographic and societal challenges Israel faces with the responses it has developed to present a detailed proposal for an overall new national security strategy the first such Israeli strategy ever published Resilience and Military Families Julie Canfield,2024-07-11 This textbook aims to educate students across all mental health disciplines on the importance of using strengths based resilience as a tool when working with military families Organized into three main sections using the military deployment cycle including the stages of pre deployment deployment and post deployment this textbook examines some of the key resiliency skills that operate in military families so that students can understand how many families not only survive but learn how to thrive during great challenges Chapters address the military at home resilient family systems the importance of effective communication and social support the impact of trauma and moral injury and the transition from military to civilian life following service Filled with case vignettes self assessment tools and evidence informed interventions readers learn multiple ways to measure assess and strengthen family resiliency throughout the book In addition to these skills specific examples are highlighted that draw lessons from the military community on stress management and posttraumatic growth in the context of family life The book finishes with an appendix that includes suggestions for therapists on the use of cultural humility to improve treatment Following two decades of war and a global pandemic this essential textbook is a crucial read for all mental health professionals training to work with miliary connected populations and their families Professionals from disciplines including
