*On Heroes* Philostratus (the Athenian),2003 This English translation with introduction and notes an extensive glossary maps and topical bibliographies explores religious authority and revealed knowledge and is indispensable for the study of Homer heroes literature religion and culture in the Roman Empire and Late Antiquity Paperback edition is available from the Society of Biblical Literature [www.sbl-site.org](http://www.sbl-site.org) [The Hero's Quest and the Cycles of Nature](#) Rachel S.

McCoppin,2016-10-25 This examination of the heroic journey in world mythology casts the protagonist as a personification of nature a botanical hero one might say who begins the quest in a metaphorical seed like state then sprouts into a period of verdant strength But the hero must face a mythic underworld where he or she contends with mortality and sacrifice embracing death as a part of life For centuries humans have sought superiority over nature yet the botanical hero finds nothing is lost by recognizing that one is merely a part of nature Instead a cyclical promise of continuous life is realized in which no element fully disappears and the hero's message is not to dwell on death **Singers, Heroes, and Gods in the**

**Odyssey** Charles Segal,2001 One of the special charms of the Odyssey according to Charles Segal is the way it transports readers to fascinating places Yet despite the appeal of its narrative the Odyssey is fully understood only when its style design and mythical patterns are taken into account as well Bringing a new richness to interpretation of this epic Segal looks closely at key forms of social and personal organization which Odysseus encounters in his voyages Segal also considers such topics as the relationship between bard and audience the implications of the Odyssey's self consciousness about its own poetics and Homer's treatment of the nature of poetry **The Hero's Mortal Walls** William F. Woods,2024-01-02 The heroes of early

narrative are the faces of an older world In constant retellings their stories hold the memory like members of an extended family Gilgamesh Odysseus Beowulf Gawain Roland Yvain Genji in their colorful often exaggerated ways they show how the people of their own time and place liked to know themselves The heroes embody their identity and reflect their culture Because their world was difficult and dangerous every hero needed defensive strengths This book analyzes seven iconic heroes and compares each champion to a walled town or castle hardened against an outer threat These defenses are the mortal walls of their identity their strengths against the world as well as their dealings within it and are exemplified in their actions as warriors distinct rhetoric complex relationships with women and devotion to the divine By delving into some of early narrative s most renowned heroes the book reveals the pieces of their inner selves that even they cannot keep outside the walls but must finally accept with firm humility

**Demanding Witness** Erika L. Weiberg, 2024 *Demanding Witness* argues that we need to reconsider the stories we tell about war s aftermath and its traumatic effects on soldiers and civilians Many homecoming stories from antiquity to today focus on a trauma hero who returns home and overcomes pain and injury Yet this story excludes many others harmed by war including noncombatants and fails to question why soldiers are going to war in the first place Several Greek tragedies explore the traumatic effects of war on the home This book shifts the focus to the representation and reception of women s expressions of trauma in these plays to expose the ripple effects of war even on individuals and communities distant from the fighting

Odysseus, the Hero of Ithaca (Illustrated) Homer, 2018-09-22 Rare edition with unique illustrations Homer was an ancient Greek epic poet The ancient Greeks generally believed that Homer was a historical individual but some modern scholars are skeptical no reliable biographical information has been handed down from classical antiquity He is traditionally said to be the author of the epic poems *The Iliad* and *The Odyssey* They are commonly dated to the late 9th or early 8th century BC and many scholars believe *The Iliad* is the oldest extant work of literature in the ancient Greek language making it the first work of European literature It is an epic poem recounting significant events during a portion of the final year of the Trojan War *The Odyssey* is in part a sequel centring on the Greek hero Odysseus or Ulysses as he was known in Roman myths and his long journey home following the fall of Troy
