Europe Reforms Labour Markets Aart De Geus,Eric Thode,Christiane Weidenfeld,2016-03-07 Focusing on the perspectives of policy makers the book s purpose is to closely examine the factors that make for successful unsuccessful labor market related policy reforms The aim is to reveal the political aspects namely the chances challenges and impediments to designing labor market reforms and to establish the conditions under which successful labor market reforms can be advocated adopted and implemented process The work includes exclusive interviews with twelve former European prime ministers about the labour market reforms they initiated in their respective countries Wolfgang Sch ssel Anders Fogh Rasmussen Andrus Ansip Fran ois Fillon Gerhard Schr der Georgios Papandreou Mario Monti Jan Peter Balkenende Jerzy Buzek Iveta Radicov Luis Rodr guez Zapatero Tony Blair **OECD Economic Surveys: Italy 2013** OECD,2013-05-02 OECD s 2013 Economic Survey of Italy examines recent economic developments policy and prospects Its special chapter examines policy implementation legislation public administration and rule of law *Education Policy Outlook 2019 Working Together to Help Students Achieve their Potential* OECD,2019-09-16 Taking the perspective of institutions and the system *Education Policy Outlook 2019 Working Together to Help Students Achieve their Potential* analyses the evolution of key education priorities and key education policies in 43 education systems It compares more recent developments in education

policy ecosystems mainly between 2015 and 2019 with various education policies adopted between 2008 and 2014 *OECD Economic Surveys: Italy 2024* OECD,2024-01-22 Italy has weathered recent crises well A strong fiscal policy response enhanced competitiveness and improved banking sector health have supported growth in recent years **OECD Economic Surveys: Italy 2007** OECD,2007-06-04 This 2007 edition of OECD's review of Italy's economy finds a welcome economic recovery under way But medium term prospects remain challenging productivity shows little signs of resurgence high public indebtedness threatens fiscal health **Italy Transformed** Martin Bull,Gianfranco Pasquino,2020-06-09 The decade commencing with the great crash of 2008 was a watershed period for Italian politics involving fundamental and dramatic changes many of which had not been anticipated and which are charted in this book This comprehensive volume covers the impact of the Eurozone crisis on the Italian economy and its relationship with the European Union the dramatic changes in the political parties and particularly the rise of a new political force the Five Star Movement which became the largest political party in 2013 the changing role of the Trade Unions in the lives of Italian citizens the Italian migration crisis electoral reforms and their impact on the Italian party system where trends towards bipolarisation appear to be exhausted the rise of new forms of social protest changes to political culture and social capital and finally amidst the crisis reforms to the welfare state Overall the authors reveal a country which many had assumed was in quiet transition towards a more stable democracy that suffers an immense shock from the Eurozone crisis and bringing to the fore deep rooted structural problems which have changed the dynamics of its politics as confirmed in the outcome to the 2018 National Elections This book was originally published as a special issue of South European Society and Politics **Free Lunch Thinking** Tom Bergin,2021-01-28 Countries with smaller governments grow faster Tobacco taxes are the best way to cut smoking Government regulation discourages entrepreneurship Award winning investigative journalist Tom Bergin digs into eight mantras widely accepted by Western governments and by talking to the people who promote those ideas and the workers businesspeople and consumers who have felt their impacts finds they often don't play out as expected Smart funny and incisive Free Lunch Thinking is essential reading for anyone who really wants to know how economies tick and why they often don't _____ I couldn't put it down A thorough and nuanced examination of the evolution of supply side economics I loved it Arthur Laffer creator of the Laffer Curve An entertaining and thought provoking exploration of economic theories that have been both widely accepted and largely wrong I devoured it in a couple of sittings Reuters Breakingviews An insightful account of the recent history of economic thought If you are looking for a book which challenges you without being annoying make it this one Institute of Economics Affairs **Economics and Ageing** José Luis Iparraguirre,2019-11-29 This upper level textbook provides a coherent introduction to the economic implications of individual and population ageing Placing economic considerations into a wider social sciences context this is ideal reading not only for advanced undergraduate and masters students in health economics and economics of ageing but

policy makers professionals and practitioners in gerontology sociology health related sciences and social care This volume introduces topics in labour economics including the economic implications of ageing workforces It covers pension economics and pension systems with their macroeconomic and distributive effects and the question of risk Finally it describes macroeconomic consequences of ageing populations on aggregate saving inflation international trade and financial markets

Trade Unions and Migrant Workers Stefania Marino, Judith Roosblad, Rinus Penninx, 2017-12-29 This timely book analyses the relationship between trade unions immigration and migrant workers across eleven European countries in the period between the 1990s and 2015 It constitutes an extensive update of a previous comparative analysis published by Rinus Penninx and Judith Roosblad in 2000 that has become an important reference in the field The book offers an overview of how trade unions manage issues of inclusion and solidarity in the current economic and political context characterized by increasing challenges for labour organizations and rising hostility towards migrants

Health System Decentralization and Recentralization Andrea Terlizzi, 2019-04-02 This book explores the dynamics of health system decentralization and recentralization investigating why and how the territorial organization of health systems changes or remains stable over time Drawing from historical and discursive institutionalism the explanatory framework revolves around the role of ideas discourse and institutions Through the analysis of the Italian and Danish health systems the book corroborates the value of combining ideational and institutional accounts in explaining institutional continuity and change offering new empirical and theoretical insights into the study of public policy making The book will be of use to students and scholars interested in health politics and policy federalism and decentralization and theories of institutional change

Insolvency and Enforcement Reforms in Italy José Garrido, 2016-09-07 Italian banks are burdened with high levels of nonperforming loans the cleanup of which depends in important part on the efficiency of insolvency and enforcement processes Traditionally these processes in Italy have taken very long hampering the timely cleanup of balance sheets In response the authorities have legislated a number of measures This paper explores the recent insolvency and enforcement reforms and the remaining challenges These reforms introduce important positive changes that are expected to yield full benefits over the medium to long term The efficacy of the reforms including to deal with the current stock of high nonperforming loans can be enhanced by introducing effective out of court enforcement mechanisms supplemented by a more intensive use of informal and hybrid debt restructuring solutions Moreover there is an urgent need to rationalize the system which over the years has become very complex and intricate

Economic History of a Divided Europe Ivan T. Berend, 2020-02-28 This book presents the sharp regional differences within the integrating European continent Four regions Northwestern Europe Southern Europe Central Europe and Eastern Southeastern Europe represent high medium and relatively less developed levels of economic advancement These disparities have emerged as a result of historical differences that produced and reinforced cultural and behavioral differences The author examines the distinctions between the regions looks at how these differences transpired

and became so retrenched and answers the question of why some countries were able to elevate to higher levels of economic development while others could not This book is unique in that it provides a timely historical analysis of the main causes of the most pressing conflicts in Europe today Readers will come away from this book with a deeper understanding of the sharp divergence in economic standing between the four different regions of Europe as well as knowledge about how institutional corruption and other cultural features exacerbated these variations The book also offers a better understanding of major European Union conflicts between member countries and between member and nonmember countries as well as the rise of autocratic regimes in certain countries The book begins with a short history of European integration throughout European civilization and then goes on to discuss the modern reality of integration and attempts to homogenize the Continent that divided into four different macro regions It will primarily appeal to scholars researchers and students studying Europe from various fields including economics business history political science and sociology as well as a general readership interested in Europe's past present and future
