Oeuvres De Aristide Briand:

Nos hommes d'état et l'oeuvre de réforme François Maury, 1912 Gender, Generation, and Journalism in France, 1910-1940 Mary Lynn Stewart, 2018-06-20 In the late nineteenth century the first wave of female journalists began writing in the French daily press Yet while they undeniably opened doors for the next generations of educated women sexist hiring practices assumptions about women's aptitudes as reporters and more subtle gender biases continued to saturate the industry in the decades that followed Gender Generation and Journalism in France 1910 1940 investigates the careers and written work of ten women who regularly reported in the national Paris based dailies Addressing the role of mentorship family connections gendered behaviours reporting styles and subject matter Mary Lynn Stewart debunks lingering essentialist notions about women's entry into journalism She shows that struggling newspapers attempting to reverse declining circulation hired women to cover subjects that expanded to include international relations colonial conflicts trials local politics and social problems Through content analysis deixis and systematic comparisons of several women and men reporting on the same or different events she further queries claims about a feminine style finding more similarities than differences between masculine and feminine reporting Documenting the persistence of gender discrimination in the hiring assigning and assessment of women reporters in the French daily press Gender Generation and Journalism in France 1910 1940 demonstrates that through the support of their female colleagues women managed to succeed despite a variety of challenges Oeuvres de Aristide Briand Aristide Briand, 2012 , **Beyond the Balance of Power** Peter Jackson, 2013-12-05 This is a major study of French foreign and security policy before during and after the First World War Peter Jackson examines the interplay between two contending conceptions of security the first based on traditional practices of power politics and the second on internationalist doctrines that emerged in the late nineteenth century He pays particular attention to the social and political context in which security policy was made and to the cultural dynamics of the policy making process The result is a comprehensive reassessment of France's security policy in the era of the Great War The book reconsiders the evolution of French war aims and reinterprets the peace policy of the Clemenceau government in 1919 It provides a perspective on the foreign policy of successive French governments in the early 1920s and also shows that internationalist ideas were far more influential over this entire period than is commonly understood Exposition de l'oeuvre de Eugène Carrière au Palais de l'Ecole Nationale des Beaux-arts, quai Malaquais Gabriel Séailles, Eugène Carrière, 1907 Oeuvres tome 15 Jean Jaurès, 2023-11-29 Guerre la guerre est le dernier tome paraître des œuvres de Jean Jaurès Il concerne une période particulièrement dramatique qui s'étend du 1er octobre 1912 jusqu'au 31 juillet 1914 date de l'assassinat de Jaurès et veille du déclenchement de la Première Guerre mondiale Il reprend le titre choisi par l'Internationale issue de son congrès de Bâle pour son appel à la mobilisation contre le danger de guerre Est-il possible de circonscrire les conflits qui ravagent les Balkans et de trouver des solutions pacifiques aux fortes tensions qui opposent entre elles les

puissances européennes De grands rassemblements Paris et dans les autres capitales européennes des rencontres parlementaires Bâle comme Berne des tentatives de coordination au sein de l'Internationale s'efforcent d'organiser la lutte contre un embrasement guerrier généralisé En France le combat se polarise sur la loi portant trois ans la durée du service militaire et qui est adoptée par le Parlement malgré une intense campagne menée au cours du printemps et de l'été 1913 par Jaurès et les socialistes En France le débat sur la Représentation proportionnelle toujours présente est bousculé par de nouveaux thèmes d'affrontements la réforme fiscale avec le projet d'impôt sur le revenu les revendications féminines la question de l'immigration qui s'ajoutent des thèmes plus traditionnels avec un syndicalisme qui lui aussi veut changement que Jaurès cherche à penser dans le sens de l'émancipation Une recomposition politique assez confuse met aux prises radicaux modérés et nationalistes Le parti socialiste SFIO obtient cent élus aux législatives d'avril-mai 1914 sans pouvoir néanmoins devenir maître du jeu politique Jaurès s'efforce d'utiliser tous les moyens à sa disposition pour affirmer le socialisme et sauver la paix jusqu'à l'issue tragique Cette édition est préparée par Marion Fontaine professeure des universités Sciences Po vice-présidente de la Société des études jaurésiennes et Christophe Prochasson directeur d'études à l'école des hautes études en sciences sociales directeur de Mil Neuf Cent revue d'histoire intellectuelle *Oeuvres tome 11* Jean Jaurès, 2019-11-27 Voici le XXe siècle Le socialisme la République et la guerre Ce volume couvre deux années décisives de la fin 1905 à l'automne 1907 Tout se transforme en France et dans le monde Face au gouvernement Clemenceau qui s'arc-boute sur la défense de l'ordre et fait un usage disproportionné de la force Jaurès fait entendre les revendications de justice des mineurs après la catastrophe de Courrières des lectrices de Paris ou des vignerons du Midi et même fugitivement des suffragettes Il soutient les demandes de syndicalisation des fonctionnaires instituteurs et postiers Ces mouvements sociaux l'amènent réfléchir sur le rôle de l'état les moyens de la démocratie et les obligations de la République alors que s'achève son long combat pour la réhabilitation du capitaine Dreyfus et que se met en place le nouveau régime de la Séparation des Églises et de l'État Contre les dangers de guerre il s'emploie à créer les conditions d'une politique d'action socialiste internationale tout en refusant l'antipatriotisme Il combat le colonialisme et se dresse contre les expéditions au Maroc Réflexions et actions nouvelles qui l'amènent à battre et parfois se heurter avec ses anciens alliés républicains et radicaux y compris ses anciens camarades Briand et Viviani voire avec son affectueuse amie la marquise Arconati Visconti L'édition la présentation et l'annotation de ce volume sont dues Vincent Duclert chercheur au Centre d'études sociologiques et politiques Raymond Aron de l'EHESS dont il est l'ancien directeur et vice-président de la Société d'études jaurésiennes **Catalogue de Timbres de France 2019** Spink Maury, 2018-09-01 A catalogue made by collectors for collectors This year the Spink Maury Catalogue heir to the prestigious Maury Ceres and Dallay catalogues continues its work of research compiled over generations of philately It covers all French stamps from 1849 to the present day offering hundreds of changes with oddities new varieties and discoveries presented as always in an exceptional way Included in the new material is the continuation of the monographic studies presenting a stamp per page with all varieties known until the

First World War a redesign of types Merson and Pasteur and a specialised part devoted to Marianne de Beaujard reviewed in depth In addition the section on current usage stamps TUC is fully updated following feedback from our contributors and readers France has one of the most beautiful philatelic legacies in the world and we are pleased to be its modest ambassador to the numerous international readers who join us each year Layout and coverage are sumptuous The trite phrase mine of information does not begin to do justice to this immense achievement To any collector of France beyond the elementary stage this would be a bargain at twice the official retail price Highly recommended an absolute must for collectors of French stamps Michael Round Journal of the France Colonies Philatelic Society *Mystique du libéralisme : vie et œuvres de Paul Hyacinthe Loyson* Norman Hill, René Alleau, Harold Earle, Paul Gilbert, Thérèse
