Kessler, MD, 2013-08-06 Most people believe that it s natural to gain a lot of weight as we get older But this is not true Kessler knows it s not true because until about 30 years ago we did not have a weight problem in North America In fact throughout history the human body weight stayed pretty much the same People ate the amount of food they needed and no more Then in the 1980s something changed North Americans started gaining a lot of weight What happened in such a short time to add so many millions of pounds to so many millions of people Something had changed in North America but it wasn t us It was our food These processed foods loaded with sugar fat and salt make it almost impossible for some people to stop eating Many years ago the food industry managed to figure out that they could sell more food if it had a lot of sugar fat and salt in it Good food should make you feel full and satisfied But foods that are high in sugar fat and salt have the opposite effect on many people Instead of easing our hunger these foods make us want to eat more Even when we re full even when we re not hungry we feel the need to eat Hijacked helps us understand what it is that we re eating and helps us train our brains to know when to stop eating and to stop craving food *All Cakes Considered* Melissa Gray, 2021-10-12 A producer of NPR s All Things Considered takes readers on a culinary adventure in this eclectic but cohesive cookbook featuring 50 cake recipes Publishers Weekly starred review Melissa Gray started as a baking novice but soon became National Public Radio s Cake Lady Every Monday she brought a cake to the office for her colleagues at NPR to enjoy Hundreds of Mondays and cakes later Melissa has lots of cake making tips to share Following the more than fifty recipes in this book readers can develop their cake baking skills alongside Melissa and enjoy irresistible treats like Brown Sugar Pound Cake Peppermint and Chocolate Rum Marble Cake Lord and Lady Baltimore Cakes Dark Chocolate Red Velvet Cake Honey Buttercream and Apricot Jam Cake and more
